OVERVIEW

The celebrated Steeler Bronson 65 “COOLr” is an award-winning creation that marries the heart of a performance cruiser with the refinement of a high-end entertainment platform. Forged in premium Dutch aluminum and presented as a 2025 model, its striking cabriolet profile commands attention, transforming with ease from an offshore thoroughbred into an open-air convivial salon. Equally at home as an open motor yacht, sport cruiser, express cruiser, or luxury dayboat, it offers a rare synthesis of exhilaration and sophistication.

An industry-first electrically actuated high-low roof lets you set the atmosphere at the press of a button, while an integrated Pioneer DJ console converts the main deck into an onboard stage. Twin Volvo Penta IPS 1350s deliver brisk acceleration and a 35.5-knot top speed, with joystick controls and a Seakeeper 9 gyro stabilizer preserving composure underway and at anchor. Beneath its athletic exterior the interior provides 2.4 meters (8 ft) of headroom, accommodating up to eight guests by day and luxurious overnight stays in two generous cabins. A hydraulic bathing platform and a discreet tender garage streamline watersports and shore excursions, making “COOLr” as compelling as a performance yacht, weekend cruiser, or superyacht chase tender.
