DETAILED DESCRIPTION

Pearl 63, brand-new 2025, available immediately in Dubai

Presenting a brand-new 2025 Pearl 63, a refined flybridge motor yacht now ready for immediate delivery in Dubai — an uncommon chance to take ownership without the delay of a factory production slot. Evoking the finest of British craftsmanship, this yacht combines clever spatial planning with high-end onboard comforts to deliver a turnkey ownership experience from the moment you step aboard.

The design emphasizes light-filled, fluid living, with expansive entertaining areas and contemporary interiors that celebrate effortless indoor-outdoor connection. Opening side balconies extend the living space and heighten the sense of being at sea, while a redesigned aft cockpit further elevates life on the water. The salon, awash in panoramic natural light, moves seamlessly to the exterior, creating an inviting flow for guests and family.

Above, the generous flybridge is arranged for relaxed lounging and alfresco dining, providing an elegant platform for entertaining or quiet cruising. Accommodation is arranged for extended comfort, anchored by a full-beam owner's suite finished to a high standard and complemented by roomy guest cabins crafted for family and entertaining. The interior theme of modern, understated luxury is carried throughout, ensuring a cohesive and sophisticated onboard environment.

Located in Dubai and ready for immediate handover, this Pearl 63 offers an exceptional turnkey solution for owners wishing to enjoy the season without production delays. Private viewings are available in Dubai; please contact us for pricing, full specifications, and delivery arrangements.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
