## OVERVIEW

---

MARGO is a stunning Sport Coupé 56 crafted by Rio Yachts and designed by the renowned Marino Alfani. This yacht for sale showcases a modern and sporty aesthetic, featuring sleek exteriors that harmonize beautifully with a meticulously designed interior. The abundance of natural light creates an airy atmosphere, reminiscent of a larger vessel, enhanced by a palette of soft, inviting colors. Distinctive elements such as solid teak and steel accents elevate the decor, reflecting the signature style of Marino Alfani.

“The aspect I appreciate most about this 56 is the illumination: the expansive master suite and living area exemplify inviting, light-filled environments where the design maximizes every inch,” shared Marino Alfani, the visionary behind the yacht and his interior design firm established in 2007.

The custom marble finishes throughout MARGO amplify the sophistication it brings to the seas. This exceptional yacht is equipped with a bespoke garage, a hydraulic lift platform, and a hydraulic glass cockpit window and door, setting it apart from others in the yacht sales market.

A highlight of this vessel is the dinette, featuring a spacious sofa, elegant glass tables, a pop-up TV, and a dual helm station by Besenzoni. The wide windshield not only provides an outstanding view but also ensures effortless navigation and a prime steering position, making it an ideal choice for those looking to buy a yacht in the current boat location.
