OVERVIEW

Presenting the 2008 Princess 58 Flybridge, a vessel where refined style and formidable performance converge. Propelled by twin 850 hp CAT C15 engines on shaft drives, she confidently reaches a top speed of 30 knots, while precision handling is assured by dual helm controls, Sidepower bow and stern thrusters and a Yacht Controller for effortless close-quarters maneuvering.

Step into a generous cockpit appointed with a comfortable U-shaped seating area that flows naturally toward a hydraulic teak swim platform, ideal for easy water access and tender stowage. The expansive flybridge invites relaxation and entertaining with ample space and luxurious seating for sunbathing or hosting guests in comfort.

Below decks the layout is intelligently arranged, featuring a full-beam master suite, a VIP cabin with an island bed, a twin-berth cabin and a separate crew cabin, allowing accommodation for up to seven guests. Each cabin is outfitted with independent climate control and dedicated entertainment systems to ensure personalized comfort throughout the vessel.

Recent upgrades enhance both capability and comfort: a fully integrated navigation and camera system with a 12-inch Axiom display and a new sonar module keeps you informed and on course, while the flybridge and cockpit have been refreshed with new upholstery and protective covers. The galley has been improved with a full-height fridge for greater convenience on extended cruises.

This Princess 58 Flybridge from 2008 is an exquisite synthesis of luxury, performance and livability—equally suited to spirited passages at speed or relaxed, stylish cruising. Contact us today to learn more or to arrange a viewing.

DETAILED DESCRIPTION

Features

This yacht is a masterpiece of design and functionality, combining effortless handling with dual helm controls, Sidepower bow and stern thrusters and a Yacht Controller to make close-quarters maneuvering simple, safe and precise. The luxurious cockpit and flybridge are conceived for relaxation and entertainment, centered on a spacious U-shaped lounge ideal for dining and socialising and flowing aft to a hydraulic teak swim platform perfectly arranged for tender storage. The flybridge is a true entertainment haven with ample seating and new upholstery that refreshes the onboard atmosphere. Accommodations are exceptional, arranged in a three-cabin layout that comprises a full-beam master suite, a VIP cabin and a bunk room, together sleeping up to seven guests, while a fourth crew cabin with a TV and a head offers comfortable service quarters. Climate comfort is assured by air conditioning throughout with individual controls for each cabin, and entertainment is elevated by a satellite TV system, new VHF radios and an upgraded entertainment system that can be tailored to guests' preferences. The electronics package has been significantly upgraded to include two Axiom 12" screens, a new sounder module, an integrated network for cameras and navigation, and four new cameras positioned for enhanced visibility and security, complemented by a new spotlight and Yacht Controller. The galley is fully equipped for convivial cooking with a full-size fridge and freezer, microwave, dishwasher and a four-hob electric stove, and has been further improved with a new full-height fridge. Recent updates including new flybridge clears, a tender cover, internal flybridge covers and fresh upholstery across the flybridge, cockpit and bow sunpad renew the yacht's appearance and comfort, while a Brig tender with a 40hp Honda outboard stored on the hydraulic swim

platform and reliable diesel engines together with a genset ensure effortless cruising and consistent power for a seamless yachting experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
