OVERVIEW

2023 Pearl 62 Luxury Yacht "IMAGINE"

Step aboard the 2023 Pearl 62, a sublime example of contemporary flybridge motor-yacht design, presented in immaculate condition and maintained with the utmost attention since delivery. Built in the UK and finished with the celebrated Modern Kelly Hoppen interior, IMAGINE marries refined aesthetics with purposeful engineering to offer an exceptional ownership experience.

The main deck welcomes you with timber floorboards that flow into bespoke cabinetry, elegant fabric panels and sumptuous leather accents, forming a modern yet warm salon and galley environment. Electric blinds and curtains dress the windows while full reverse cycle air conditioning extends through the entire yacht, including the heads and crew quarters; even the crew cabin benefits from its own dedicated A/C and a drinks fridge, underlining the vessel's thoughtful completions.

Accommodations are arranged for up to eight guests across four beautifully appointed cabins. A versatile twin cabin converts easily between single and double configurations, and the full beam master stateroom serves as a private sanctuary with panoramic hull windows, generous storage and a luxurious en suite. Throughout, the interior finishes show minimal wear, a clear reflection of attentive ownership and professional crew care.

Underpinning the yacht's graceful presence is a suite of powerful and modern systems: twin Volvo IPS 950 engines (725 hp each) paired with joystick control deliver effortless handling, while a Seakeeper SK9 gyro stabilizer ensures exceptional onboard comfort. Electrical resilience is provided by an upgraded 20.5 kW Kohler generator and a Mastervolt inverter system, and fresh water autonomy is supported by a 95 L/h watermaker. Navigation and control are comprehensive, with a Garmin suite featuring four upgraded displays and AIS, plus dual helm stations on the main deck and flybridge supplemented by a

Yacht Controller remote docking system.

The exterior is finished to the same high standard: teak decking runs seamlessly from the aft cockpit to the bow, continuing across the flybridge and the extending hi/lo hydraulic swim platform, which carries a Williams jet tender secured by custom deck chocks and protected with a canvas cover. A hardtop shelters the teak flybridge, appointed with an icemaker, fridge and a high fidelity stereo system for al fresco entertaining. Stainless steel brightwork is polished to a mirror sheen, and thoughtful lighting—including underwater lights, pop up foredeck illumination and low level side deck LEDs—creates striking ambiance from day into night.

Practical extras complete the package: full external covers, an in port water connection, and a comprehensive safety gear package are all supplied, and the hull has been anti fouled in black so the yacht is ready for immediate enjoyment. Mechanical systems, electronics and finishes are in outstanding working order, testament to diligent maintenance.

In every respect—fit out, performance, and upkeep—IMAGINE exemplifies modern yachting excellence. Viewings are highly recommended for those seeking uncompromised quality; please contact us to request full specifications, inventory, or to arrange a private inspection.

DETAILED DESCRIPTION

2023 Pearl 62 luxury yacht 'Imagine'

Step aboard the stunning 2023 Pearl 62 luxury yacht 'Imagine', a vessel that sets the benchmark for modern flybridge motor yachts and presents in near-new condition thanks to unwavering attention to detail since delivery. Crafted in the UK with a meticulous focus on quality, this yacht features the famed Modern Kelly Hoppen interior package, where every surface in the saloon, galley and cabins has been curated to evoke understated luxury; timber floorboards flow through the main deck living areas, hand-finished cabinetry and elegant fabric panels are paired with soft leather accents to create a cohesive, inviting atmosphere with a distinctly contemporary edge. Interior comfort is second to none: the main saloon benefits from electric blinds and curtain systems while full reverse-cycle air conditioning is ducted throughout, including the heads and crew quarters, and even the crew cabin has a dedicated drinks fridge and independent A/C, underscoring the vessel's refined specification. Accommodating up to eight guests across four beautifully appointed cabins, the Pearl 62 offers flexibility and privacy, with a convertible twin cabin that may be arranged as singles or a double, and a full-beam master stateroom that serves as a private sanctuary with panoramic hull windows, his-and-hers storage and high-grade en suite finishes. The yacht's condition truly sets it apart: maintained to the highest standard by knowledgeable owners and professional crew, all mechanical systems, electronics and finishes are in exceptional working order, teak decking runs seamlessly from the aft cockpit to the bow including the flybridge and swim platform, all stainless steel gleams and interiors show minimal to no signs of wear. Key upgrades include twin Volvo IPS 950 engines, each delivering 725 horsepower with joystick control, an upgraded 20.5 kW Kohler generator and a Seakeeper SK9 gyro

stabiliser for industry-leading comfort; the extending hi/lo hydraulic swim platform is supplied complete with a Williams Jet Tender, custom deck chocks and a canvas cover. Navigation and systems have been enhanced with a Garmin suite featuring four upgraded displays and AIS, a watermaker rated at 95 liters per hour and a Mastervolt inverter system, while two helm stations on the main deck and flybridge are complemented by a Yacht Controller remote docking system. The teak flybridge is appointed with a hardtop, icemaker, fridge and a high-fidelity stereo system, and deck lighting includes underwater lights, pop-up foredeck illumination and low-level side deck LEDs. Also included are full external covers, in-port water connection and a complete safety gear package; anti-fouled in black, this yacht is fully prepared for immediate enjoyment. In every respect, from its opulent fit-out to its pristine upkeep, this Pearl 62 is a standout example of modern yachting excellence; viewings are highly recommended for those seeking quality without compromise, and we invite you to contact us now to request full specifications, inventory or to arrange a private inspection.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
