## OVERVIEW

---

The 2013 Azimut 62S marries unmistakable Italian style with athletic capability, presenting a hardtop express profile of sweeping lines and expansive panoramic glazing that hints at speed and sanctuary in equal measure.

Conceived for spirited day runs as readily as languid weekend cruises, this luxury motor yacht fuses interior refinement with open air living in a single, harmonious experience. Her finely honed hull offers composed velocity and assured sea manners, encapsulating the spirit of performance motoryacht, sport cruiser and express yacht in one compelling silhouette.

Stepping inside reveals an interior both contemporary and gracious: a generous main salon upholstered in Etro leather and laid with rich wenge flooring, softened by a bespoke carpet for warmth and tactility. A telescopic dining table extends to accommodate convivial gatherings while a polished bar cabinet conceals a retractable Hisense smart TV, a Create 12 bottle wine cooler and minibar and a premium Sony hi fi system for effortless entertainment. The helm is arranged for focused command with an electrically adjustable pilot seat and full instrumentation, including a ZF joystick control for precise manoeuvring. The starboard galley below deck is comprehensively equipped for extended cruising with a Panasonic digital electric oven, induction hob, full height fridge/freezer and a Whirlpool dishwasher, while additional domestic convenience comes from an onboard washing machine.

The accommodation arrangement is thoughtfully proportioned. A full beam owner's suite amidships offers a comfortable double berth, an en suite bathroom with separate shower, a private dinette with opposing settees, a walk in wardrobe, a Philips TV and a Sony CD/MP3 player. Forward, the VIP converts from twin berths to a double and benefits from its own en suite and Sony audio, and a guest cabin with twin beds enjoys a dedicated bathroom with shower and another Sony CD/MP3 system. Crew quarters sit aft with

independent access and private facilities, ideal for a captain or steward.

Navigation and control systems are comprehensive and clearly specified, featuring a Raymarine RAY240e VHF, Autohelm ST60 Tridata instruments, a Raymarine E120 chart plotter with radar, a Raymarine EV 200 autopilot and a Quick CHC 1202M digital chain counter, complemented by a Motronica alarm system display, a Humphree interceptor flaps display and a Jabsco ITT electric searchlight.

Onboard systems reinforce comfort and capability: Side Power bow thruster, Humphree interceptor trim tabs, Kohler 16 kW generator, Dolphin PRO 24V/80A battery charger plus 12/220V inverter, Cruisair RM30CK reverse cycle air conditioning and a Raymarine SAT TV system. A HRO Seafari Mini 350 watermaker is fitted though currently not operational. Deck equipment includes an aft electric folding bimini, Opac Mare hydraulic tender lift with bathing ladder and gangway, two Quick stern winches and a Quick anchor system, full external covers and canopies, comprehensive emergency equipment, underwater lights and aft spotlights. The cockpit is arranged for alfresco conviviality with a wet bar housing a Waeco fridge, ceramic cooktop and sink. A Selva GT340 tender with Mercury 20 hp outboard completes the inventory.

This exceptional 2013 Azimut 62S sport yacht delivers a rare synthesis of elegance, performance and practicality, a captivating hardtop express cruiser primed for memorable passages and relaxed weekends on the water.
