OVERVIEW

Strikingly sculpted with expansive glass and taut contours, the Prestige 62 is a 62 foot statement in contemporary yachting, a luxury flybridge motor yacht that marries bold sport lines with refined cruising elegance. Its low profile sport flybridge affords commanding sightlines while the open concept main deck unites salon, galley, and helm into one seamless social environment, an effortless flow that channels sport cruiser attitude without sacrificing the comforts of a true cruising yacht.

Below decks, three en suite cabins await, anchored by a full beam owner's suite framed by sweeping windows, a refined vanity, and abundant stowage; a dedicated crew cabin complete with its own head and shower preserves privacy and ensures unobtrusive service. Propelled by twin Volvo Penta IPS 900s with joystick control, the Prestige 62 offers intuitive handling and quiet, efficient performance—equally composed when crossing open water or easing into a snug marina slip. Outdoor living is simple and inviting, with a welcoming aft cockpit lounge and a broad swim platform primed for watersports and languid days at anchor. Impeccable craftsmanship, premium finishes, and poised performance define Prestige without compromise.

DETAILED DESCRIPTION

Specifications and features

Delivered in 2015, this yacht is powered by twin Volvo IPS 900 engines showing just 460 hours, complemented by a Cummins Onan 17.5 kW generator with 1,500 hours to support hotel loads in refined quiet. She settles into an effortless 20-knot cruise and surges to a confident 29–30 knots, striking a poised balance between efficiency and exhilarating performance. Thoughtful equipment elevates every moment on board: a Passarella (electro-hydraulic gangway) and a hydraulic swim platform streamline boarding and water access, while an AB Jet Dinghy 320 stands ready for swift shore transfers and watersports fun. Climate-controlled comfort envelops all staterooms, the saloon, and the crew cabin, and precise low speed handling is assured by bow and stern thrusters. A comprehensive navigation and entertainment suite—including radar, a satellite TV system, autopilot, and AIS (Automatic Identification System), with TVs in all cabins—keeps you connected, informed, and entertained. Overnighting is indulgent with three luxurious en suite staterooms plus dedicated crew quarters, crowned by a full beam master suite bathed in natural light and appointed with a vanity.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
