DETAILED DESCRIPTION

Included Options

The Galeon 620 FLY, built by Galeon Yachts in 2026 as a 62 ft model, is powered by Volvo Penta propulsion: two D13-1000 engines finished in white and accompanied by seven displays. The Mediterranean Design Package in Ocean eucalyptus pearl with a matt finish is installed, together with Comfort Pack and Luxury Pack options. A laminated hardtop on the flybridge with a fixed roof is fitted, and two Cable Master units are provided.

Protective covers are included for the flybridge steering console; seats near the flybridge steering console; the aft flybridge sofa; the bow flybridge sofa; the cockpit sofa; the small cockpit sofa; front and side windows; the sundeck on the bow; and the flybridge sun loungers. Additional upholstery and furnishings comprise artificial wood flooring in the saloon, wooden shutters or Roman blinds in cabins, teak on the cockpit deck, teak on the balconies, teak steps to the flybridge, teak on the flybridge, and teak on the standard hydraulic bath platform with a 700 kg lifting capacity. A skipper aft cabin and fitted sheet set (except crew cabin) are also provided, along with a custom wrap.

Deck and galley equipment include an electric grill in the flybridge minibar (230 V), an ice maker in the flybridge minibar, a new type large refrigerator in the aft saloon, a dishwasher in the galley, and a wine cooler in the saloon. Laundry consists of a washer & dryer combo unit. An electric sliding 43" LED TV in the saloon and an electric sliding 43" LED TV in the aft saloon facing the cockpit area are installed, plus a 43" LED TV in the owner’s cabin and a 43" LED TV in the forward cabin.

Navigation and electronics feature Raymarine C-plotter/fishfinder equipment with two Axiom XL 16 units at main stations, one Axiom2 12+ with integrated high CHIRP sonar for the captain’s station, and a flybridge installation with

CP370 transducer B744V plus Cyclone 4 ft open array. Rear view camera and engine compartment camera (two units) are fitted.

Comfort and ambiance include ambient LED lighting in the master, underwater LED lights (12 pieces), ambient LED lighting in the master, and an electric sunshade for the aft flybridge lounge. Audio and entertainment upgrades consist of an upgraded audio system, a Fusion radio with two speakers on the bow, two Fusion RA770 subwoofers in the saloon with a remote on the flybridge, two 7.7" JL speakers in the cockpit and two 7.7" JL speakers on the flybridge, and a W/G3 Acoustics surface sound headliner in the saloon/galley.

Stabilization and additional equipment comprise a Seakeeper 9. Two Cable Master units are noted above. Covers for various areas and components are enumerated in the inventory.

Seller: Shestakov Yacht Sales.
