Offered For Sale – Azimut 62S

Location: Ibiza, Spain

Launched in 2007, this striking Azimut 62S marries athletic performance with refined Italian styling and meticulous upkeep. She is maintained year-round by a dedicated full-time captain and a professional service team, presented in superb condition and ready for the season. Propulsion is supplied by twin Caterpillar C18 ACERT diesels, each rated at 1,100 HP, with approximately 1,700 hours on the clocks, delivering assured speed and a composed, confidence-inspiring ride. Onboard electrical reliability is provided by a Kohler 13 kW generator, and both the main engines and generator receive comprehensive servicing every January–February to keep machinery in peak order.

The cockpit is enlivened by a push-button sliding hardtop above the helm that converts the space from open to sheltered in seconds, while interior refinements include freshly replaced headliners in the upper salon and on the lower deck, giving the living areas a bright, elegant refresh. All systems onboard are fully functional and maintained to exacting standards, reflecting the yacht's attentive program of care. Accommodation comprises three guest cabins offering six berths, plus separate crew quarters, and practical features such as a tender garage provide secure stowage for a tender or water toys.

Currently lying in Ibiza and available for immediate inspection, this turn-key sport yacht is an outstanding example of a performance cruiser that balances speed, comfort, and style—equally suited to private cruising or high-end charter. Category keywords: Motor Yacht, Sports Cruiser, Express Cruiser, Performance Yacht, Luxury Yacht, Open Yacht. Viewings by appointment in Ibiza.
