OVERVIEW

2020 Pershing 62' Motor Yacht

Commanding and sculpted in equal measure, this 2020 Pershing 62' distills Italian design flair and uncompromising performance into a single, elegant form. Spanning 62 feet with a purposeful 16-foot beam, her sleek silhouette promises exhilaration, a promise fulfilled by twin MAN diesel inboards that propel her to an exhilarating 42-knot cruise and a blistering 46-knot top end, marrying breathtaking speed with the precise handling that defines Pershing's benchmark reputation.

Built from advanced fiberglass, the hull and deck blend reinforced strength with weight-saving agility, allowing the yacht to rise cleanly onto plane and slice through open water with composed authority. The cockpit flows into a luminous, contemporary salon that becomes an inviting social hub as the horizon unfolds, where expansive glazing invites natural light and panoramic sea views while refined finishes establish a calm, modern interior that complements the vessel's athletic temperament.

Below deck, a carefully conceived three-stateroom, three-head arrangement affords privacy and comfort for extended cruising. The owner's suite is a tranquil sanctuary, accompanied by a polished VIP cabin and a versatile guest stateroom, each served by elegantly appointed heads. A well-equipped galley supports longer stays aboard, and climate-controlled living spaces maintain absolute comfort whether resting in a secluded cove or sprinting to distant ports.

On deck, broad lounging areas encourage open-air living—from sun-chasing on the foredeck to relaxed gatherings aft—and transitions between the swim platform and salon are effortless. Thoughtful storage keeps decks uncluttered and ready for action, while helm ergonomics and the carefully balanced relationship between social and private zones are tuned for the spirited owner

who will settle for nothing less than both luxury and speed.

Located in the United States and radiating the timeless appeal of a modern Pershing, this 62' stands equally at home as a chic harbor showpiece or a long-legged cruiser. She is the essence of a Luxury Motor Yacht: a true Performance Yacht and Sport Yacht with the sleek ease of an Express Cruiser—powerful, stylish, and designed to thrill every mile.

DETAILED DESCRIPTION

Main description

A rare and compelling opportunity to acquire a 2020 Pershing 62' motor yacht, exquisitely crafted in the Italian tradition and engineered to deliver exhilarating performance with precise, confidence-inspiring handling; powered by MAN engines producing 1,550 hp, the yacht responds with immediate acceleration and riveting throttle response while cocooning guests in Pershing's signature luxury finishes and appointments, and it is conveniently available for viewing in Miami Beach for those wishing a close inspection — please contact the worldwide Central Agent to arrange your private showing.

Manufacturer provided description

The brand-new Pershing 62 immediately commands attention with a sleek, slender profile whose hull line and superstructure were shaped to deliver a slim, fast yacht defined by aggressive contours and a distinctly sporty personality, further accentuated by the unique hull glazing, and those signature windows—emblematic of Pershing's new era—appear on this model as well, preserving the family aesthetic while flooding the full-beam master cabin amidships with natural light; the VIP cabin benefits from two windows with portholes that create a bright, welcoming atmosphere, and the Pershing 62 is offered in two configurations, either three cabins and three heads with a separate shower box or two cabins comprising the master stateroom and the VIP cabin with the guest cabin replaced by an expanded living area.

Exclusions

Exclusions from the sale include the tender with outboard motor, which is

expressly not part of the vessel transaction and should be considered separately when arranging inspection and purchase details.

Mechanical disclaimer

Engine hours are stated as of the date of the original listing and reflect information provided to the listing broker by the owner and/or the broker's reading of the engine hour meters; the broker cannot guarantee the actual hours, and it is the purchaser's responsibility, and/or that of the purchaser's agent, to verify engine hours, to confirm any warranties whether implied or otherwise, to inquire about any major overhauls, and to validate all other representations noted in the listing brochure before completing the purchase.

Disclaimer

The Company offers the details of this vessel in good faith but makes no guarantee or warranty as to the accuracy of the information or the condition of the vessel; buyers should instruct their agents or surveyors to investigate any details they wish to have validated, and this vessel is offered subject to prior sale, price change, or withdrawal without notice.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
