Quickstep Boarding Step

This luxurious yacht for sale combines power and elegance, showcasing a sleek exterior that exudes a dynamic presence. With an optimized hull design, the MAN V8 1200 engines allow for exhilarating speeds of up to 35 knots. When anchored, the electro-hydraulic bathing platform serves as a convenient

launch for the Williams 345 Jet Tender or a private swimming area. The sociable aft galley layout features an open dining space with sliding doors and a fully opening window that connects to the cockpit. Below deck, six guests can enjoy comfortable accommodations in a full-beam owner's stateroom and two additional guest cabins.

The deck is designed with a molded FRP foam-cored laminate and a stylish white plastic composite compression rail, ensuring durability and elegance.

The flybridge is equipped with a Bimini top, helm station, and seating for approximately ten guests, making it perfect for entertaining.

This Sedan Bridge-style motor yacht features a spacious salon and an elevated galley. The hull is constructed with solid FRP laminates below the waterline, ensuring a smooth and stable ride.

The cockpit is outfitted with a wet bar, Kenon single burner grill, and built-in refrigeration, complemented by comfortable seating and a hot and cold shower in the transom area. The vessel is designed with high-profile stainless steel railings and a molded transom tender compartment for added convenience.

Inside, the salon boasts an open layout with a galley positioned on the port side, featuring a stylish L-shaped sectional sofa and an entertainment center. The master stateroom offers a king-sized island-style bunk with an en-suite head, while the VIP stateroom features a queen-sized bunk and a shared head. The guest stateroom includes twin bunks, all adorned with dark walnut cabinetry and luxurious finishes.

The yacht is equipped with advanced systems, including LED lighting, a comprehensive HVAC system, and a central vacuum system. The galley features high-end appliances, including a full-size refrigerator/freezer, a four-burner electric stove, and a combination convection oven/microwave.

For navigation, the yacht is outfitted with dual Garmin GPS displays, a 72-mile radar, and integrated autopilot systems, ensuring a seamless cruising

experience.

Entertainment is at your fingertips with multiple high-definition TVs throughout the yacht, complemented by a state-of-the-art audio system.

Fuel systems are robust, featuring dual tanks and advanced filtration systems, while the steering system includes dual station electro-hydraulic power steering for effortless maneuverability.

Electrical systems are well-designed, with both DC and AC systems ensuring reliable power throughout the vessel. The freshwater and hot water systems are efficient, providing comfort and convenience for all onboard.

This S62 Princess is not just a yacht; it's an invitation to indulge in the ultimate luxury experience on the water. Don't miss the opportunity to buy a yacht that promises adventure and elegance in every journey.
