OVERVIEW

****NEW ARRIVAL**** Introducing the 2019 Princess F62 Flybridge Yacht, an exquisite vessel that offers a unique chance to acquire a meticulously maintained, low-hour luxury yacht, perfectly suited for the warm waters of Florida. This exceptional Princess F62 is outfitted with a host of high-end features and recent upgrades, making it a premier option in the yacht sales market. Designed for both elegance and performance, this Princess F62 showcases a streamlined profile and generous interior, perfect for cruising in unparalleled comfort and style. With a professionally documented service history and a recent thorough sea survey, potential buyers can be confident in its excellent condition and seaworthiness. A highlight of this yacht is its intelligent layout, featuring three opulent staterooms along with an additional aft crew cabin, providing ample space for both guests and crew. The expansive flybridge offers breathtaking views and is equipped with cutting-edge Raymarine Electronics, ensuring effortless navigation and enhanced safety on the water. To enhance stability and comfort while cruising, this Princess F62 is fitted with a Sea Keeper Gyro and Humphrey Active Roll Stabilization system, effectively reducing roll and guaranteeing a smooth experience even in rough seas. Maneuvering in confined spaces is a breeze with bow and stern thrusters, complemented by an aft docking station for added convenience when mooring. For those seeking luxury and practicality, this yacht includes a 1200 GPD water maker, enabling extended voyages without the need to replenish water supplies. Custom enhancements such as a bow shade with carbon fiber poles and Xpel window film for UV and heat protection ensure both comfort and sophistication. Engineered for adaptability, this Princess F62 is equipped with an Asea frequency converter, allowing for seamless transitions between various power systems, making it suitable for both Mediterranean and US/Bahamas cruising. Additionally, the yacht features an aft crew cabin, a striking white hull, underwater lights, and an allure package,

further elevating its desirability. ****Key Features:**** - All services are up to date with a recent haul for survey. - Fitted with Sea Keeper Gyro and Humphrey Active Roll Stabilization. - Includes both bow and stern thrusters for superior maneuverability. - Equipped with a 1200 GPD water maker and aft docking station. - Custom bow shade with carbon fiber poles and Xpel window film for UV/heat protection. - Asea frequency converter allows versatility for Mediterranean or US/Bahamas use. - Aft crew cabin, white hull, underwater lights, and allure package. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and performance.
