OVERVIEW

IT'S ALL GOOD 2, a 2006 Pershing 62, melds legendary Italian design with exhilarating performance and an air of restrained luxury. This sport yacht and express cruiser is admired for a bold silhouette and meticulous build quality, marrying the crisp, razor sharp handling for which Pershing is famed with a luminous, beautifully finished interior that invites easy coastal passage making and gracious entertaining. Her sweeping lines frame an expansive open cockpit and a sun filled salon, creating a sense of volume and presence that belies her measured length. Ideal for the discerning buyer who wants a luxury motor yacht that commands attention at the dock and excites under way, she has enjoyed continuous care by the same owner for 14 years and is now offered as they step up. With all services current and a recent yard period completed, IT'S ALL GOOD 2 is presented turnkey — a hardtop express and open motor yacht, a performance cruiser and high performance powerboat in one — blending pulse quickening excitement with poise, comfort and enduring elegance.

DETAILED DESCRIPTION

Walkthrough

Boarding from the stern, you are welcomed into an expansive cockpit laid in refined faux teak, conceived for effortless socializing and relaxation. Generous seating and a proper dining area invite long, convivial moments at anchor or between ports, while seamless access to the swim platform encourages spontaneous plunges and waterside living. The cockpit flows naturally forward to the helm and companion seating, all sheltered by the sleek Pershing hardtop that delivers cooling shade without diminishing the exhilarating open-air character of an express yacht. Wide side decks make movement forward secure and intuitive, leading to a broad sun-pad that becomes the preferred perch for lounging underway or basking at anchor. At the centerline, the helm is pure Pershing—sporty, intuitive, and singularly command-focused. Dual helm seating, excellent sightlines, and intelligently organized instrumentation cultivate absolute confidence whether you are cruising with composure or running at speed; this is a yacht designed for owners who love to drive. Descending below, the salon is bathed in natural light streaming through oversized hull windows, where high-gloss woodwork, modern Italian styling, and plush seating converge to create a sophisticated yet inviting retreat—equally suited to quiet evenings, lively conversation, or refined entertaining. The galley is efficiently arranged and well equipped, with smart storage and quality appliances that make everything from casual snacks to full meals practical for extended cruising. Accommodations aboard the Pershing 62 are expertly resolved in a three-stateroom layout that preserves privacy for owners and guests alike: a full-beam master suite amidships with abundant natural light, generous storage, and an ensuite head; a forward VIP stateroom with a centerline berth, excellent headroom, and private access to a head; and

a comfortable twin-berth guest cabin, ideal for family or friends. Each stateroom exemplifies Pershing's dedication to luxury through fine materials, thoughtful lighting, and a refined, modern aesthetic. IT'S ALL GOOD 2 is an iconic express yacht that blends unmistakable style, thrilling performance, and indulgent accommodations; whether island-hopping, entertaining dockside, or savoring a high-speed cruise, this Pershing stands out as a premier choice in her class.

Disclaimer

The details of this yacht are offered in good faith; however, accuracy cannot be guaranteed and no warranties are made regarding the vessel's condition. This yacht is offered subject to prior sale, price change, or withdrawal from the market without notice. It is presented as a convenience by a yacht broker to its clients and is not intended to convey direct representation of a specific yacht for sale.

Service & updates

Recent service and thoughtful upgrades elevate the experience on board across every space: upgraded marble countertops throughout complement a cedar closet in the master stateroom and new blinds fitted vessel wide; articulating beds in the master cabin and VIP staterooms enhance comfort, while new smart TVs throughout and a new Marine Starlink system keep entertainment and connectivity seamlessly current. A new Fusion sound system with woofer, amplifiers, and cockpit speakers delivers rich audio, and fresh floor coverings in the galley, upper salon, and the front berth—including the stairs up to the main salon—refresh the interior feel. Mechanical and climate systems are equally well attended, with a new chiller unit installed, all newer Dometic units fully serviced and lines flushed, and all MAN engine work

and maintenance up to date by Scarano Marine; the ASD drives service was completed 12/2025 by P&L Marine. Exterior refinements include new flexi teak in the cockpit and on the swim platform, a tender garage and swim platform with cradle, and a recently serviced passerelle, while LED accent lighting throughout the boat sets an elegant ambiance. The lower salon and galley seating have been reupholstered, a new ice machine has been added in the upper salon, and the upper salon beverage refrigerator has been recently serviced. The bottom has been freshly painted with PropSpeed applied to the ASD running gear and transom gear, and exterior paint was completed in Dec 2025. Meticulous care continues with weekly washdowns and a monthly diver cleaning the bottom, and practical touches include two paddle board roof racks mounted on the hardtop.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
