OVERVIEW

Aragosta, a 2006 VICEM 62, presents a Semi-Displacement hull and is designed inside and out by VICEM. At 62 ft LOA with an 18 ft beam, this United States–based cruiser blends performance with comfort, delivering a cruise speed of 25 kn and a maximum speed of 32 kn. Powered by twin MAN inboard diesel engines, she is engineered for confident underway performance.

Aragosta's build features a Fiberglass and Plastic Yachts hull with a Fiberglass deck, and a thoughtful layout that supports extended cruising. Accommodations accommodate sleeps for 6 with 3 total heads, plus a dedicated crew cabin with 2 crew berths. With a fuel capacity of 925 gallons and a water capacity of 150 gallons, she is equipped for longer passages, while the listed Gross Tonnage of 52 Pounds reflects the provided data.

Thoughtfully specified and purposefully designed, Aragosta offers the poise and efficiency expected of a VICEM 62. Draft ranges from 19.685 ft to 21.325 ft, and with an Engine Count of 2 and Diesel fuel, she is set for capable, comfortable cruising. Category: Motor yachts; Subcategory: Cruisers; Location: United States.

DETAILED DESCRIPTION

Description

Aragosta is a 2006 VICEM 62, fully refit by Hinckley and commissioned in spring 2024. She is re-powered with MAN V8 1300 engines and delivers a swift cruise while preserving an exceptionally comfortable ride. The refit showcases custom faux teak accents, a redesigned superstructure, new teak decks, and a custom hydraulic swim platform. The interior was completely refitted with bespoke soft goods, quartz countertops, and designer fixtures. Systems and equipment upgraded during the refit include a yacht controller system, a flush-mounted Garmin electronics suite, Starlink, and new Awlgrip Anthracite hull paint. Shestakov Yacht Sales serves as the listing broker.

Vessel Walkthrough

Aragosta is a 2006 VICEM 62 with an anthracite hull finished in four coats of Awlgrip and triple-block hand sanding; the hull features custom stainless hawse pipes with a Mediterranean mooring windlass in the cockpit, custom stainless portlights, a transom trunk and a custom hydraulic swim platform. The deck and superstructure carry teak laid by Teak Deck Systems, dual wing stations, a custom swim platform, new UV-inhibited windows throughout, dual stern entry doors, a deck house faux teak mask with faux teak toe rail, stainless bow rail with custom mounts, LED lighting, a JL Audio system, a custom stainless pulpit with a stainless Lewmar anchor and all-chain ground tackle, a stainless sliding door to the salon and wide side decks.

The cockpit features a custom Release Marine teak table on a stainless pedestal, forward-facing bench seating, wing seats, a gas BBQ and a teak sole. The salon provides a U-shaped settee with storage below, a designer barrel

chair with integrated bottle storage, a wet bar with ice maker, a pop-up cocktail and cigar bar, a nook with dual bar stools, a Samsung “The Frame” TV, a Bose surround system, a custom recessed ceiling accent with lighting, mahogany sole throughout with a custom wool runner, overhead and accent lighting and air conditioning throughout. The dinette is a U-shaped arrangement with a teak table and integrated storage on the port side adjacent to the helm.

The galley is fitted with quartz countertops, a quad-burner electric stove with protective cover, Sub-Zero refrigerator drawers (two fridge, two freezer), a designer sink, convection/microwave, dishwasher, mahogany sole, pantry and ample storage. The companionway includes a wine fridge, pantry and a day head.

The master stateroom offers a king island berth with built-in storage, a flat screen TV, air conditioning, mahogany sole, three large cedar-lined hanging lockers, a make-up area and ample storage; the ensuite head has a teak sole, lapstrake headliner, electric head, stall shower, custom vanity and designer sink. The VIP stateroom also has a king island berth with built-in storage, flat screen TV, air conditioning, mahogany sole, two large cedar-lined hanging lockers, a make-up area, ample storage and guest head access. The guest stateroom provides a single berth with a bonus Pullman berth, built-in storage and nightstand, air conditioning, a cedar-lined hanging locker, ensuite head access and mahogany sole. The guest head shared between the VIP and guest staterooms includes a teak sole, lapstrake headliner, electric head, shower, custom vanity and designer sink.

Electrical equipment includes Onan gensets rated 17.5 kW and 11 kW (750 hours), dual 50 amp service, a Mastervolt Smartcharger battery charger, an inverter, hot water heater, an electrical system refit with new batteries, LED lighting with dimmers and designer fixtures.

The electronics and helm outfitting comprises a helm door, flush-mounted electronics, three Garmin 8617 multifunction displays, Garmin AIS black box

module, Garmin black box sounder, Garmin autopilot controller, Garmin 12 kW xHD2 open array radar, Garmin GPS antennas, Garmin satellite weather, Garmin black box VHF, FLIR, STARLINK, Yacht Controller vessel remote controller integrated with engines and thrusters, air conditioning throughout, Garmin cameras throughout, spotlight, Fusion stereo with multiple controls and JL Audio speakers throughout, new Lumishore underwater lights, bow thruster, windshield wipers, VF Microcommander electronic single lever controls, a mahogany wheel, Siren Marine vessel management system, two custom upholstered Stidd helm seats and MAN engine management displays.

The engine room houses twin MAN V8 1300 hp engines, commissioned in 2024 with 300 hours and warranty valid until 2029, ZF gears with warranty until 2029, MAN black box computers, engine room cameras, dual Onan generators, a Clear Source freshwater filtration system, new engine room blowers, dual Racor fuel filters, a brand new drivetrain including struts, surface-piercing props, shafts, rudders, cutlass bearing, steering rams and steering pumps, a watertight engine room door, fuel tanks with sight gauges of 750 gallons each, engine room painted with Awlgrip, a custom tool chest, Dometic AC systems and a TNT hydraulic system.

Mechanical Description

Aragosta is a 2006 VICEM 62 with an overall length of 62 ft. Engine hours are as of the date of the original listing and reflect what the listing broker was told by the owner and/or actual readings of the engine hour meters; those hours cannot be guaranteed. It is the responsibility of the purchaser and/or the purchaser’s agent to verify engine hours, any warranties implied or otherwise, major overhauls, and all other representations noted on the listing brochure. Shestakov Yacht Sales is the only broker/dealer name retained.
