OVERVIEW

62' 2014 luxury motor yacht — United States

Designed for owners who seek refined style without compromise, this sixty-two foot motor yacht, a 2014 model built in 2013, pairs contemporary aesthetics with the substance required for serious cruising. Her sturdy fiberglass hull and thoughtfully laid-out deck provide a smooth, quiet passage and confident handling, while her clean lines ensure she presents beautifully at any marina or anchorage.

A spacious sixteen-foot beam shapes a convivial main deck where generous lounging and dining zones flow into a luminous, open salon, creating an inviting environment for both relaxed days at anchor and lively evenings entertaining. The galley is positioned to keep the cook part of the conversation, and below decks comfortable accommodations afford privacy and rest for owners and guests alike, supported by three well-equipped heads. A separate crew cabin reinforces the yacht's practicality and service-minded layout.

Powered by twin Volvo inboard diesel engines, she delivers dependable, hushed performance that experienced boaters appreciate, and her fuel capacity of seven hundred forty-one gallons supports extended coastal voyages and ambitious weekend escapes. With two hundred twelve gallons of fresh water on board, life at anchor remains comfortable for longer stays. This yacht adapts effortlessly from family getaways to sophisticated socializing and leisurely long-distance passages.

Everyday details are thoughtfully resolved: the reassuring walk-on feel of fiberglass underfoot, clear sightlines from the helm, and an arrangement of spaces that makes life aboard both functional and elegant. Situated in the United States and ready for a new owner, this sixty-two footer represents a compelling Motor Yacht option for buyers seeking the efficiency and reliability of diesel inboard propulsion. Bold offers are encouraged—WILL ACCEPT CLEAN

62' 2014 роскошная моторная яхта — США

Созданная для тех, кто ценит утончённый стиль без компромиссов, эта шестидесятидвухфутовая моторная яхта, модель 2014 года, построенная в 2013-м, сочетает современную внешность с надёжной конструкцией, необходимой для серьёзных переходов. Прочный корпус из стеклопластика и продуманная планировка палубы дают плавный и тихий ход, обеспечивая уверенное поведение на курсе, а строгие линии делают её привлекательной в любой марине и на якоре.

Просторная шестнадцатифутовая ширина создаёт гостеприимную главную палубу, где широкие зоны для отдыха и приёма пищи плавно переходят в светлый, открытый салон, формируя атмосферу для спокойного времяпрепровождения и активных приёмов гостей. Камбуз расположен так, чтобы повар оставался в центре общения, а на нижней палубе удобные спальные помещения обеспечивают уединение и отдых владельцам и гостям, дополняемые тремя благоустроенными санузлами. Отдельная каюта для экипажа подчёркивает практичность и ориентированность на сервис.

Два дизельных двигателя Volvo с расположением inboard обеспечивают надёжную и бесшумную работу, которую ценят опытные яхтсмены, а запас топлива семьсот сорок одна галлонов позволяет планировать дальние прибрежные переходы и смелые выходы на уикенд. Двести двенадцать галлонов пресной воды поддерживают комфорт на якоре в течение длительного времени. Яхта легко переходит от семейных прогулок к утончённым приёмам и неспешным дальним рейсам.

Мелочи решены с заботой: уверенная ходьба по палубам из

стеклопластика, хорошие обзорные линии из рубки и гармоничная организация внутренних пространств делают жизнь на борту удобной и элегантной. Яхта находится в США и готова к осмотру новым владельцем; это привлекательный вариант в категории Motor Yacht для тех, кто ищет эффективность и надёжность дизельной inboard силовой установки.

Приглашаются серьёзные предложения — WILL ACCEPT CLEAN TRADES!

DETAILED DESCRIPTION

Description

2014 Prestige 620S — Where Elegance Meets Performance. You will not find a more upgraded Prestige 620; it is the only one with two generators and two water makers, plus a long list of thoughtful enhancements. Perfectly suited for the Bahamas, the Caribbean, and the Great Loop, this yacht is turnkey and the owner, having purchased a new boat, is ready to sell. The 2014 Prestige 620S embodies the ideal balance of luxury, innovation, and seaworthiness, crafted for discerning yachtsmen. As the sport iteration of the renowned 620, it presents sleeker lines and heightened performance while preserving the brand's hallmark comfort and functionality.

Its elegant, contemporary profile

is defined by expansive glass that floods the interior with natural light and frames sweeping views, making time aboard feel effortless and refined. The compact yet fully functional sport flybridge elevates both navigation and relaxation, while the open-plan main deck—seamlessly integrating salon, galley, and helm—creates a welcoming flow for socializing and entertaining. Below, a three-stateroom layout with en-suite bathrooms includes a full-beam master with generous storage, a vanity, and large windows, complemented by a separate crew cabin with two berths, its own head, and a shower.

Underway, twin Volvo IPS 900 engines deliver smooth, efficient cruising and superb maneuverability; joystick docking makes close-quarters handling intuitive, and Blue Haven is also equipped with Volvo DPS (Sky Hook) for position holding. Outdoor living shines with a comfortable aft cockpit lounge and a large swim platform that invites water activities. Throughout, meticulous craftsmanship and premium materials underscore Prestige's commitment to lasting quality. WILL ACCEPT CLEAN TRADES!

Comments

"Blue Haven" has benefited from continuous professional maintenance and exceptional upgrades under current ownership, with complete service records available upon request. It is a yacht best appreciated in person, where the depth and quality of the improvements truly stand out. The 2014 Prestige 620S is more than a yacht—it is a confident expression of refined taste and ambition, equally at home hosting guests or stretching out for long-range adventures. You will not find a 620 with more upgrades and redundant systems than "Blue Haven."

Mechanical

Power is delivered by Volvo IPS 950 with DPS, combining performance with precise control. Total time on engines as of December 30, 2024 is 1,760 hours, with most operation at 900 RPM. A Sea Keeper 9 stabilizer adds comfort at anchor and underway. The Reverso oil-change system services both main engines, both generators, and the IPS pods for streamlined maintenance. In the engine room, nine drawers of tools and spare parts keep spares organized for extended cruising, and a full set of spare propellers provides added peace of mind.

Electrical

Electrical autonomy is robust: an Onan 19 kW generator shows 3,510 total hours as of December 30, 2024, while a backup Phasor 12.5 kW generator runs all systems and shows 676 hours as of the same date. An ANG Iso-boost isolation transformer/booster ensures clean, stable shore power. All through-hulls have been fully bonded—an upgrade beyond factory specification—while independent volt meters monitor every battery bank in

the engine room. The yacht runs on AGM batteries, and an additional shore cord connection with a fifty-foot cord enhances flexibility at the dock.

Extra systems and upgrades

Designed for extended cruising and redundancy, the yacht carries two water makers rated at fifty gallons per hour each, producing up to 2,400 gallons per day, complemented by UV filtration and two fresh-water pumps. Night running and close-quarters work benefit from two searchlights. The satellites and radar arch are mounted on swivels, yielding a bridge clearance of sixteen feet—Great Loop and Champlain Canal capable. Safety is enhanced by a high-water alarm that reports to a mobile phone, plus alarms on all doors and hatches. Practical details abound: flybridge storage for more than twenty life vests, upgraded A/C chillers totaling 96,000 BTU with air conditioning in the engine room, an ElectroSea system to keep A/C raw-water lines free of marine growth, and an upgraded A/C raw-water pump. Ground tackle includes a stainless-steel anchor and chain with a snubber, while a dedicated bracket carries a twenty-horsepower dinghy outboard. Raw-water strainers have been raised to the waterline for easier access and cleaner flow.

Electronics

Navigation and connectivity are comprehensive: three Raymarine AXIOM touchscreens interface with a Raymarine HD radar for clear, confident situational awareness. Communications are supported by two VHF radios, while Starlink and a KVH satellite TV system keep you connected and entertained offshore. AIS integration adds another layer of safety, and an electronic chain counter provides precise readout for the windlass.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
