OVERVIEW

Preliminary release — freshly arrived: 2013 Prestige 620 Flybridge.

This 62-foot flybridge motor yacht offers refined, effortless cruising with a flawless indoor–outdoor connection, penned by Garroni Design and propelled by Volvo Penta IPS propulsion with joystick maneuvering so handling and docking remain intuitive and composed. The generous flybridge is an invitation to unwind, appointed with a wet bar and expansive sunpads, while a luminous salon with an aft galley serves as the social heart of life aboard. Guest arrangements comprise three staterooms, including a full-beam owner’s suite, complemented by separate crew quarters, and a hydraulic platform provides simple tender launch and easy water access. Capable of roughly 30 knots, this luxurious cruiser functions equally well for entertaining or family passages — a versatile power yacht and sport cruiser bearing the poise and elegance of Prestige.

DETAILED DESCRIPTION

Salon

Warm wood tones frame an inviting salon where a crisp white L-shaped sofa anchors the space, complemented by a settee offering additional seating and dressed with Venetian blinds and refined Metrum Brown saloon valances. Comfort meets convenience with a central vacuum system and a lush Oasis Taupe wool carpet underfoot, while entertainment is elevated by a Bose V25 home cinema and a pop-up Samsung TV with directtv that disappears at the touch of a button, creating a seamless, elegant living area ideal for relaxation and socializing.

Galley

The galley opens directly to the aft deck for effortless service and sea-breeze ambiance, featuring a Panasonic combination microwave/conventional oven, a Ceran cooktop with hood, and a Waeco refrigerator and freezer to cater to every culinary whim. A deep sink, generous overhead storage, and a smart island with integrated stowage keep everything organized, while a starboard bar with a Raritan ice maker turns every sunset into a celebration.

Master stateroom

The master stateroom is a serene retreat with a walk-around queen bed flanked by port and starboard hanging lockers and matching end tables, bathed in natural light from port and starboard windows alongside two large windows that frame the horizon. Thoughtful details include two adjustable reading lights, two night table stands, and a starboard reading sofa for quiet moments, while a dresser with drawer and ottoman and plentiful storage

drawers keep personal effects perfectly stowed. Evenings unfold with ease before a Samsung 50" TV, completing a sanctuary of calm and convenience.

Master head

The master head exudes spa-like poise with his-and-hers sinks and a separate shower stall, complemented by a mirror vanity and ample storage for daily essentials. A Dometic head and a porthole that ushers in daylight complete a refined, practical space designed for unhurried rituals.

VIP stateroom

The VIP stateroom welcomes guests with a queen bed and a Samsung 24" TV with DirectTV, while immersive sound is delivered by a Fusion Stereo MS-AV700i. Nighttime comfort comes courtesy of two night lights and two night table stands, with a hanging locker dresser, plentiful storage, two portholes, and an overhead hatch ensuring fresh air, order, and effortless elegance.

VIP head

The VIP head is pristine and practical, featuring a Dometic head, a mirror vanity, and a separate shower for privacy and ease, with a porthole inviting natural light to brighten the start of every day.

Guest stateroom

The guest stateroom offers two single beds and relaxed entertainment via an Apex 24" TV, with two dedicated reading lights for cozy evenings. A hanging locker dresser and a center nightstand provide intuitive stowage and convenience, ensuring every guest feels effortlessly at home.

Guest head

Designed for easy access, the guest head opens from both the guest stateroom and the companionway, combining a refreshing shower, a Dometic head, and a mirror vanity with plentiful storage to keep essentials neatly organized.

Crew quarters

Crew quarters are directly accessed from the aft deck for swift turnarounds, providing two single beds, efficient air conditioning, and a Dometic head for on-board self-sufficiency, plus a washer/dryer combo unit that keeps operations smooth on extended voyages.

Helm

Command with confidence from an adjustable captain's seat with electric controls and a power-assisted hydraulic steering system, fine-tuning ride and trim via Lenco trimtabs with position indicators and a battery parallel at the ready. Fresh air and visibility are enhanced by two electric retractable windows and a Volvo Penta rudder indicator, while Quick bow thruster controls at both helms and Joystick Skyhook deliver fingertip precision. Navigation is comprehensive with two RayMarine GPS Maps E140, an ICON VHF Radio, a Volvo Penta engine computer, and a RayMarine AutoPilot, all complemented by a search light, a QuickChain counter, and a 5" Plastimo compass for absolute situational awareness.

Deck & exterior

Purposeful elegance defines the deck, where a Quick electric windlass with

remote control pairs with a 40 Kg Delta anchor on approximately 300' of 12MM chain for steadfast holding. Polished stainless steel pulpit work, a remote control searchlight, and welcoming bow seating beneath a retractable Bimini top set the tone for alfresco living, while underwater lights and a hydraulic swim platform turn every anchorage into a private resort.

Flybridge

The flybridge invites open-air indulgence with a teak deck underfoot and a protective Sunbrella Bimini top above, while Bose speakers set the soundtrack and a Waeco refrigerator keeps refreshments perfectly chilled. Two sunpads with a table between encourage lingering afternoons, and command capability continues aloft with a Garmin 12" GPS Maps, RayMarine Autopilot, ICOM VHF Radio, Joystick with Skyhook, Max Thruster, and a Plastimo 5" compass.

Cockpit

A teak-deck cockpit sets a refined scene with a matching teak table for lingering meals, supported by a telescopic swim ladder and a hot-and-cold cockpit shower that make water days effortless. Shade arrives at the touch of a button with the retractable electrical sunshade, docking is simplified by an aft docking station with joystick, and Bose speakers with a cable master keep entertainment and shore power beautifully managed.

Mechanical equipment

Mechanical systems are robust and ready, led by a Bow Truster Max for confident close-quarters control and supported by dedicated house batteries and main engine batteries for dependable power delivery. Climate is maintained by two CruiseAir chillers, and night operations benefit from a

search light, while an Onan 17.5KW generator anchors shipwide autonomy. Charging is seamless with a Cristec 12V battery charger and a MasterVolt 24V charger, and extended cruising is assured by a BlueWater WaterMaker and SeaFire equipment for vigilant safety.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
