OVERVIEW

The 2019 Prestige 630 Flybridge presents a refined blend of contemporary style and assured seagoing capability, a flagship motor yacht designed for comfortable, confident cruising. Powered by twin Volvo Penta IPS 950 pod drives, she offers quiet, efficient passages and precise joystick docking for effortless maneuvering. An open, light-filled salon opens seamlessly to the aft galley, fostering genuine indoor-outdoor living as sweeping windows flood the interior with daylight and frame the surrounding seascape. Accommodation is arranged in three well-appointed staterooms, including a full-beam owner's suite with a private ensuite, delivering the space and privacy expected of a luxury cruiser for extended passages or relaxed liveaboard use.

The generous upper deck flybridge is crafted for entertaining, with a dedicated dining area, a wet bar, and deep lounging settees that afford panoramic vistas. Practical and creature-comfort features include a Seakeeper gyro-stabilizer, a hydraulic swim platform that simplifies tender launching and water access, and high-end finishes throughout. Recent upgrades add Starlink high-speed connectivity, and a completed 1,000-hour service provides additional peace of mind. Exceptionally maintained and offered turnkey, this Prestige 630 Luxury Flybridge yacht stands ready as an elegant Motor Yacht and versatile Family Cruiser, ideal for coastal cruising, weekend escapes, and refined time on the water.

DETAILED DESCRIPTION

Factory installed options

Powered by Volvo D11 IPS950 with twin 725 hp engines, this yacht presents interior woodwork in wenge high gloss (US), refined Ultraleather Ermine upholstery, and the Trim Level Excellence 2019 US package. The foredeck is appointed with a generous sunpad mattress, a forward lounge area, and adjustable backrests, while the main deck benefits from protective covers for the foredeck sunpad, cockpit seating, and cockpit table; the flybridge is likewise protected with tailored covers for the sunpad, seating, galley, and table. Stainless steel bow protection, electric trim tabs together with Volvo IPS2 electrical trim tabs, and an electric retractable sun awning in the cockpit underscore practical elegance, complemented by an upgraded flybridge windscreen with stainless steel handrail and the Glendinning cable management system. The comprehensive 2019 electronic pack equips three Axiom 16XL displays at the main helm and two Axiom 16XL on the flybridge, a Quantum radar mounted on a stainless steel mast, AIS700, a Ray90 dual-station VHF with a wireless second station, P70R autopilot displays, an open-array radar rated at 4 kVA, a reverse camera with thermal monitor, Volvo virtual anchor DPS, Raymarine US charts, and two fictive satellite antennas. Ground tackle is equally thorough with an electric mooring windlass, a complete mooring kit, and a stainless anchoring kit. Comfort and outdoor living are elevated with four director chairs, a cockpit aft closing in steel, a flybridge hardtop with a dedicated set of covers Stamoi, a front deck canopy in steel, a convertible flybridge table in Abacos, outside upholstery in Abacos, and window external curtains sunw, all set against a teak floor on the flybridge, a brushed wenge hardwood floor within, carpet in the wheelhouse in satin 34 (cabins standard white), a Roman blind in the wheelhouse, electric blinds in the

main saloon, and an ice-maker positioned beneath the third joystick on the flybridge. Platform and motion control are assured by a hydraulic swim platform and a gyroscopic stabilizer NG9. Galley and utility appointments include a 100 L/h 115V watermaker, a wine cabinet 115V/60Hz in high-gloss wenge, a 230V extractor hood for the galley, a 115V/60Hz cockpit ice maker, a 115V/60Hz dishwasher with wenge high-gloss panel, a central vacuum cleaner, and a kitchen top in Laminam Nero; the skipper's cabin continues the high-gloss wenge theme and houses a matching safe, while the saloon features an electrical deluxe table. Climate and power systems are upgraded with HVAC Med_Tropical US spec, dedicated air conditioning for the skipper cabin at 230V/50-60, a dual switchable fuel filter AL, and an inverter 24V/115V 60Hz 2 kVA. Handling and entertainment are refined by an extra joystick in the cockpit, waterproof speakers at the forward bench and at the cockpit and flybridge, a Bose Audio System 600 with Blu-ray 115V, porthole mosquito screens, and multicolor underwater lights.
