OVERVIEW

Showcasing at the Fort Lauderdale International Boat Show from October 30th to November 3rd, 2024, at Dock G Slip 725

Experience the pinnacle of luxury with this 63 Flybridge.

This exquisite yacht stands out with its expansive, personalized spaces offered at an exceptional value. The Dyna 63' Flybridge impresses with its clever design and cutting-edge engineering, providing ample room from the flybridge's open-air freedom to the salon's comfort and the three staterooms below. Dyna optimizes both outdoor and indoor areas, creating generous sunbathing, social, and shaded spots for a dozen friends.

The expansive Flybridge is designed to maximize outdoor enjoyment and can be tailored to suit any lifestyle. The upper helm station offers the owner or captain a panoramic view, comfort, and the technology required for seamless operation from the Flybridge. The wide bow sun pad invites you to relax in cushioned comfort under the sun.

Owners can choose to position the galley aft, placing it and the bar conveniently near the salon entrance, or midship, which enhances the indoor seating and social area. As with all Dyna yachts, the layout and design of the space and furnishings can be custom-built to match your boating lifestyle.

The full-beam master suite amidships offers a tranquil retreat, complete with ample storage, an entertainment system, and an en suite head. Accessible from the swim platform or the aft deck hatch, the spacious crew area is fully equipped and can comfortably accommodate up to two crew members or guests.

Tailored to the most discerning tastes, this yacht's generous interiors blend rich textures, fabrics, and finishes, crafting sophisticated and functional spaces that reflect your lifestyle.
