OVERVIEW

LUCHY is a remarkable example of the 63 Sea Ray Sundancer, renowned for its exceptional surface drive technology. This luxurious yacht for sale features two spacious staterooms, ensuring ample comfort for all guests. The cockpit is designed for entertaining, boasting a circular seating arrangement with a fiberglass dining table, two aft-facing lounge seats, a raised sun pad, and an entertainment center complete with a wet bar and storage. A convenient transom door provides access to the swim platform, enhancing the outdoor experience.

The helm is equipped with hydraulic steering and throttle controls, backlit instrumentation, and ample space for a variety of optional electronics, making it user-friendly for any owner. Luchy includes a VIP amidships guest stateroom with a private ensuite head, while the galley is outfitted with custom-molded countertops, a Blanco sink paired with a sculptured Moen faucet, a flush-mounted Sub Zero refrigerator and freezer with an ice maker, a custom four-burner electric stove, and a built-in microwave browning oven.

To port, the dinette area features a circular lounge with a custom table and cushions that can convert into a double bed. The master stateroom, located forward, is highlighted by a queen-size island bed, providing a serene retreat. The innovative surface-drive propulsion system in the 630 DA eliminates the need for an aft cabin, instead offering a spacious guest cabin located aft to starboard beneath the cockpit.

Sea Ray has equipped this 630 Sundancer with twin Arneson Surface-Drives, removing all underwater appendages for a significant reduction in drag—up to 50 percent. This enhancement results in quicker acceleration, higher speeds, and improved fuel efficiency, allowing for extended cruising ranges.

Additionally, the absence of underwater drive shafts, struts, and rudders increases shallow water capabilities. The Arneson Surface-Drives are paired

with twin 1200HP 3412 CATS, ensuring both speed and reliability. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and performance.
