OVERVIEW

EMBRACE ETERNAL ELEGANCE

Heritage meets modernity.

The GR Sessantatré marks the debut of the innovative GR series, honoring the legacy of founder Gianfranco Rizzardi and drawing inspiration from the iconic CR line that gained global acclaim.

This yacht's design transitions seamlessly from traditional to modern, blending beauty, practicality, and cutting-edge technology. It features a stern platform with a tender lift, a private VIP cabin at the rear, a spacious cockpit, and more. Powered by shaft-line propulsion, it can achieve speeds close to 40 knots, driven by dual 1,300 HP MAN engines.

Offered in two styles: fully open or with a roll bar, and equipped with an electric awning that can be fully retracted or extended in moments.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies timeless sophistication.
