DETAILED DESCRIPTION

Description

Now making her way to Miami, this distinguished 2005 Bertram 63 Convertible is propelled by twin Caterpillar C30 diesel engines, each rated at 1,550 hp, with 3,500 original hours. Constructed on Bertram's famed deep-V offshore hull, she combines exceptional ride comfort, steadfast stability and tournament-level performance for demanding offshore passages. The vessel is comprehensively outfitted with twin Kohler generators, an onboard watermaker and a Garmin electronics package that includes AIS, autopilot and a depth sounder, while climate comfort is provided by five air conditioning units. Fishability and convenience are enhanced by cockpit freezers and a dedicated flybridge refrigerator, and handling has been improved with upgraded five-blade propellers. Accommodations feature a generous three-stateroom, three-head configuration suited to extended cruising or serious sportfishing, and the yacht is fully operational and turnkey ready.

Other details

At the helm, an advanced Garmin electronics suite anchors a complete navigation package, integrating AIS, autopilot and depth sounder to furnish full instrumentation for assured, long-distance passage-making. Long-range independence is supported by both a watermaker and a desalinization system, while the tournament-ready cockpit reaffirm her fishing pedigree. The flybridge provides generous seating for relaxed observation alongside a dedicated refrigerator, and on deck the crew is supported by two cockpit freezers. Comfort is maintained by five air conditioning units, propulsion is optimized with five-blade propellers, and fuel handling is made efficient by a diesel fuel transfer and reverse system. Rich, premium wood interior finishes

elevate the living spaces, and under way she performs with the seasoned capability of a true offshore battlewagon.

The Company provides the particulars of this vessel in good faith but cannot warrant or guarantee the accuracy of the information or the condition of the vessel. Prospective buyers are advised to instruct their agents or surveyors to verify any information they consider important. This vessel is offered subject to prior sale, change in price, or withdrawal without notice.

Propulsion

Propulsion comes from a matched pair of 2005 Caterpillar C32 inboard diesel engines, each with 1,750 hours logged, offering well-established reliability along with smooth, confident power delivery.

Specifications

Built for spirited passages, she settles into a comfortable cruise at 30 knots and can be coaxed to a 36-knot top end when required. At 63 feet overall with a generous 18.08-foot beam and a shoal-friendly minimum draft of 5.25 feet, she presents a confident profile while retaining welcome shallow-water versatility. Her fiberglass hull affords durable strength and a smooth, efficient motion through the sea. Substantial tankage reinforces her long-range capabilities, with 2,113 gallons of fuel, 264 gallons of fresh water and a 100-gallon holding tank providing extended autonomy. Interior planning is meticulous, offering three guest cabins arranged for comfort and privacy.
