DETAILED DESCRIPTION

Key features

This yacht is in great condition with low engine hours, making it a prime choice for those seeking reliability and performance. The hull is painted in a rare Roman Bronze color, adding a touch of exclusivity and elegance to its appearance. Powered by twin MAN V12 engines, the yacht boasts a combined power of 2,720 hp, allowing it to cruise comfortably at around 25 knots and reach a maximum speed of 40 knots. For additional comfort, it is equipped with a Seakeeper M-9 gyro stabilizer, ensuring a smooth and stable ride even in choppy waters. Inside, the yacht features very fresh and clean interior spaces, providing a luxurious and inviting atmosphere for all on board.
