OVERVIEW

Vellamo is an immaculate 20.00-metre Sunseeker 64 that marries classic British craftsmanship with contemporary, athletic lines and assured performance. Designed for owners who value refined style, relaxed comfort and effortless cruising, this flybridge motor yacht has been maintained to an exacting standard and is presented as a turnkey opportunity for immediate Mediterranean enjoyment. The interior reflects a restrained luxury: sleek modern finishes, generous living areas and luminous, well-appointed cabins that promise privacy and comfort for extended voyages. Exterior decks have been configured for sun-filled leisure, convivial entertaining and unhurried days at anchor, delivering the space and flow expected of a premium pedigree yacht. Fully refreshed in a comprehensive 2025 refit, Vellamo is offered in excellent, near-new condition; she responds with a smooth, composed ride and handles confidently, with a comfortable cruising speed of 22 knots that balances spirited passages and relaxed coastal exploration. For days ashore and on the water, she is equipped with a curated selection of toys including a Seabob F5 with integrated camera, SUPs, a wakeboard, full snorkelling and diving equipment, and a Williams 285 Jet Tender to access secluded coves and shimmering bays with ease. Built by Sunseeker in 2010, this Sunseeker 64 flybridge motor yacht features three cabins and is currently lying in Malta at the heart of the Mediterranean, perfectly positioned for the season. Vellamo – where enduring design meets the open sea.
