OVERVIEW

GUACHAFITA, a 2019 Riviera 6000 Sport Yacht configured with three staterooms, has been cherished by a single family since new and maintained with meticulous care, presenting throughout in exceptional condition. Admirers of the 6000 know it delivers generous volume for its size, and this express cruiser exemplifies that strength: the accommodation plan centers on a full beam owner's suite amidships that offers true headroom and plentiful storage, complemented by a forward VIP and a starboard twin berth guest cabin so family and guests enjoy comfortable, private quarters. The main deck is arranged on a single level so galley, salon and cockpit flow together into one open social arena—perfect for entertaining, where meal preparation, conversation and cocktails move effortlessly between spaces.

Propulsion is provided by Volvo Penta IPS950 pod drives with 723 hours recorded as of September 18th, 2026, delivering responsive performance and easy joystick docking, while a Cummins Onan 22 kW generator with 2,480 hours quietly handles the house loads. The hull bottom was refreshed in late April 2026. A garage houses a Briggs F330ht RIB powered by a 20 hp Honda outboard and the hydraulic swim platform makes launching, recovery and water access straightforward and safe.

The helm is anchored by dual 17 inch Garmin 8617 glass bridge displays and a full navigation suite that includes Volvo/Garmin autopilot, a 4 kW GMR424xHD2 open array radar and a Garmin GSD 26 CHIRP sounder, while CZone digital switching with iPad connectivity provides streamlined monitoring and control. Cameras cover the anchor, awning and engine room for added security and peace of mind, and systems are enhanced for extended cruising with a tropical air conditioning package, a watermaker and STARLINK internet connectivity.

Luxurious joinery and thoughtful upgrades elevate the onboard experience:

high gloss walnut cabinetry, Cirrus Wine solid surface countertops and rustic white maple stair treads create a refined interior palette. Practical comforts include a wine cooler at the lower companionway, an additional refrigerator drawer and an upper galley leather U shaped lounge beside a convertible dinette with a manual hi/lo table. Upgraded upholstery throughout the master, salon, cockpit and foredeck, improved roller blinds in the master and salon, TVs in every stateroom as well as the salon, a pair of Dyson cordless vacuums and coordinated soft furnishings in Sunbrella Pearl and Canvas Flax with matching bathware and galleyware complete a carefully curated fit out. Outside, a fixed cockpit awning provides shade, foredeck and underwater lighting plus elegant targa uplighting set the evening ambiance, and the yacht is offered turnkey, showing beautifully and ready for immediate cruising; private viewings are available by appointment.
