OVERVIEW

This 64-foot vessel embodies the elegance and sophistication that its name suggests. It is chic, comfortable, and spacious. The Sunseeker Manhattan 64 is a magnificent yacht, exuding power and luxury. This yacht for sale offers its future owners a lifestyle of refinement and sophistication amidst breathtaking surroundings.

The secret to its outstanding performance lies in the hull design. A sharp bow entry allows it to glide effortlessly through waves, while the wide, down-turned, and aggressive chines provide lateral stability and capture air between their outer edges and the keel. This creates an air cushion beneath the hull, enhancing smoothness.

The seller is highly motivated. Don't let this opportunity pass by—submit your offer today!
