# OVERVIEW

---

## M/Y WIND PERSHING 64

Available for Purchase: 2009 Pershing 64 — where exquisite design and exhilarating performance converge.

Experience the magnetic charm of this 2009 Pershing 64, an Italian-crafted sport yacht that marries sculpted lines with uncompromising power. Twin MAN V12 engines, each rated at 1,550 HP, have been run for 1,500 hours and are fully serviced, delivering blistering acceleration and assured cruising.

Propulsion is refined by Arneson Surface Drives, which received service in February 2025 to ensure crisp handling and efficiency.

Recent mechanical and cosmetic attention enhances both reliability and presence: fresh bottom paint applied in February 2025, a new stern thruster installed February 2025 for effortless close-quarters maneuvering, and updated teak decking accompanied by a complete exterior repaint in January 2023 that restores the yacht's contemporary, polished silhouette. Onboard amenities include a JL Audio premium sound system with 10 high-quality speakers for immersive entertainment and eight RGB Lumitec underwater lights that cast a dramatic glow at night. Navigation is confident and clear with a Garmin electronics suite featuring dual chartplotters and radar.

Inside and out, the Pershing 64 balances spacious, luxurious appointments with a race-bred pedigree, making every passage—from lively social anchorage to high-speed coastal runs—an elegant occasion. Meticulously maintained and ready for immediate use, she is perfectly suited to an owner/operator or operation within a managed program. Arrange a private viewing to see this exceptional yacht in her current location and appreciate what sets her apart.
