OVERVIEW

2019 64' Luxury Motor Yacht — Available in the United States (Built 2018)

A study in balanced proportions and refined capability, this 64-foot yacht marries contemporary engineering with classic onboard elegance. Her expansive 16-foot beam creates generous interior volume and a commanding deck presence that transforms long passages into comfortable journeys, while the meticulous fit and finish throughout affirm a construction ethic that favors both aesthetics and durability.

Built of robust fiberglass composite with a fiberglass deck and shaped around a confidence-inspiring modified V-hull, she offers a composed, smooth ride offshore and a quiet, dry temperament underway. Twin Volvo Penta diesel inboards supply dependable, economical propulsion—ideal for leisurely coastal cruises or spirited weekend runs—and are supported by an impressive 900-gallon fuel capacity. With 211 gallons of fresh water aboard, this yacht is equipped to sustain extended stays at your chosen anchorages.

The interior atmosphere is light, modern, and inviting. Broad lounges and well-appointed social areas encourage conversation and relaxed entertaining, while a thoughtfully located galley makes provisioning and hosting effortless. Accommodations are serene and elegantly appointed, with ample storage and intuitive circulation, and three beautifully finished heads provide privacy and comfort for owners and guests.

From its solid, reassuring construction to the ease of handling afforded by twin inboard diesels, this 64-footer occupies the ideal intersection of luxury and practicality. Turnkey and visually arresting at the dock while purposeful and capable at sea, she presents a compelling option for discerning yachtsmen seeking a premium platform in the United States for the coming season.

DETAILED DESCRIPTION

Key features

Priced to sell with all trades considered and clean trades welcomed, this yacht is comprehensively appointed for effortless cruising and entertaining. Twin D13 1,000 hp Volvo diesels on robust shaft drives with 900 hours provide confident performance, complemented by bow and stern thrusters and a Yacht Controller for precise, stress-free docking. SeaKeeper stabilization keeps the ride level and composed. The versatile deck plan shines in Beach Mode with port and starboard fold-down side wings, while a walkthrough windshield opens to transforming bow seating for sunning and lounging. Atop the yacht, the flybridge features a hardtop with a retractable center section and a sociable wet bar with refrigerator, ice maker, Kenyon electric grill, and sink. Evenings come alive with an LED underwater lighting package, and the hydraulic platform simplifies tender launch and effortless access to the water. Below decks, three staterooms each with ensuite head offer private accommodations, complemented by separate crew quarters discreetly set in the transom. Connectivity and entertainment are first-class thanks to KVH TracVision satellite TV and Starlink.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
