## OVERVIEW

---

Discover the Princess S65, a vessel where refined design meets thrilling performance, now available for sale at the current boat location. Stretching over 66 feet, her satin lines and athletic profile conceal a heart of power: twin MAN V12 engines that propel her to exhilarating speeds of up to 36 knots. The open-plan main deck flows seamlessly from salon to cockpit and galley, creating an expansive, social environment for entertaining or relaxed cruising. Below decks, luxurious accommodation is arranged for up to 8 guests across four cabins, including a sumptuous full-beam master suite that commands the midships. On deck a sportbridge offers sunbathing areas and dedicated helm seating, while a hydraulic swim platform enhances waterside living; optional crew quarters complete the practical, performance-led package. This is a rare opportunity to own a yacht that embodies both comfort and speed.
