OVERVIEW

If there ever was a yacht that embodies the spirit of adventure, it's this one—the dynamic, open-deck Predator, a vessel that harks back to the very essence of the Sunseeker legacy. Designed for pure enjoyment on the water, this owner-focused yacht seamlessly integrates the helm and cockpit, creating an expansive main deck that flows effortlessly from the helm station to the stern, culminating in a vast sunbathing area.

The Predator 60 stands as a premier dayboat, yet with the optional hardtop and luxurious guest cabins below deck, it transforms into a formidable performance cruiser. It offers the perfect blend of excitement and elegance, a dual nature that is both surprising and delightful. Much like nature's fiercest hunters, this yacht reveals a softer side when away from the open sea.

This Predator ensures a thrilling experience, capable of reaching speeds up to 40 knots with its 2200 PS and Arneson surface drives, or slightly less with tunnelled shafts or Volvo Penta's pod drives. Renowned for its smooth and secure ride, the Sunseeker brand guarantees comfort even at high speeds.

Onboard, the attention to detail in fittings and furnishings reflects the brand's commitment to quality. From the plush, meticulously crafted upholstery to the sound-absorbing carpets and smooth-sliding curtains, every element is tailored to your preferences. The choice of sturdy door handles and adjustable reading lights further enhances the personalized experience.

The yacht's layout is designed for comfort, featuring an atrium-style stairway leading to the lower deck. Here, an open-plan saloon and galley connect to three sleeping cabins: a full-beam master suite with large windows aft, a twin-bed suite midship, and a VIP suite in the bow. Abundant space and natural light fill the interiors, while the en suite bathrooms offer contemporary luxury matching the main cabins.

Outside, the stern garage beneath the expansive sunpad houses a sleek

tender, ready to transport guests ashore for exploration. Meanwhile, the Predator remains anchored, poised to glide across the waves once more. If you're considering a yacht for sale, this vessel in the current boat location offers an unparalleled opportunity to buy a yacht that combines performance with luxury.
