## OVERVIEW

---

Introducing the debut 2025 Altima Yachts 65 Express Coupe, an artfully conceived Express Cruiser and Sport Yacht from a seasoned builder that marries exhilarating performance with considered practicality, every line and system worthy of a Luxury Motor Yacht. Outfitted for serious cruising, she carries dual gyro stabilizers and twin generators, a desalination system, a plumbed oil-extraction service system and a Glendinning cable master, while a comprehensive Garmin navigation suite guides passage-making; a host of further premium upgrades completes the specification tailored to a Performance Coupe.

Her deck layout and systems are as capable as they are elegant: a pair of aft docking stations and intuitive joystick maneuvering paired with bow and stern thrusters make close-quarters handling effortless, a power-opening sunroof slips away to flood the saloon with light, and a hydraulic swim platform with integrated steps invites effortless water access. Flexiteek decking and a foredeck lounge create refined outdoor living spaces, while thoughtful engineering and finish elevate every surface.

Accommodation is intelligently arranged for extended comfort with a full-beam owner's suite, a forward VIP and a third stateroom fitted as a private office, each appointed with its own ensuite. On the main deck a raised helm provides commanding sightlines and lofty headroom, an aft-positioned galley opens seamlessly to the expansive cockpit, and an inviting bow lounge makes the foredeck a favorite gathering place—equally at home as a chic dayboat or a confident bluewater cruiser. Available now for immediate delivery and backed by a 2-year warranty, this sophisticated express motor yacht unites elegance, capability and contemporary design.

# DETAILED DESCRIPTION

---

## Main characteristics

---

Built by Altima Yachts, the 2025 65 Coupe Sea At Last is a GRP coupe of purposeful elegance, carrying CE classification and presenting a tax status of not paid. Measuring 20.00 m in length with a 5.40 m beam and a reassuring 1.20 m draft, she balances interior volume and blue water poise with a gross tonnage of 45 GT and a displacement of 38 t. Long range passages are supported by a fuel capacity of 3,598 L, while her contemporary construction and finish underscore the yacht's refined, athletic profile.

## Accommodations

---

Thoughtfully arranged for extended cruising, the yacht offers three cabins comprising a master, a VIP, and an office cabin, complemented by three ensembles to ensure privacy and comfort for all onboard.

## Engines & performances

---

Twin Volvo Penta D13 diesels deliver 2 x 900 hp through ZF gearboxes, showing just 20 hours and pairing assured thrust with smooth, quiet refinement. Performance is confident and efficient, with a cruising speed of 19 knots and a top speed of 28 knots. Reliable onboard power comes from Onan 21 kW and Mase 12.5 kW generators, supporting every comfort at sea and at anchor.

## Technical

---

Comfort and control are hallmarks aboard Sea At Last: Webasto air

conditioning rated at 95,000 BTU maintains perfect climate control, while Sleipner electric bow and stern thrusters and twin Quick Gyro stabilizers deliver fingertip maneuverability and poise. An HP watermaker outputs 108 lph to keep fresh supplies flowing, and ground tackle is confidently specified with a Quick electric windlass, an Ultra 70 lbs anchor, 80 m of 10 mm chain, and 2 capstans. Access and waterfront living are effortless thanks to a gangway with center steps and garage, a lift platform, and 2 propellers working with interceptor trim flaps for optimal running attitude. Further refinements include 3 joystick stations, a Glendinning power cord system, 2 side pantograph doors, an oil changing system, Flexiteek decking, stern floodlights, mirrored exterior glass, a Kahlenberg horn system, an electric sunroof with screen and shade, and an electric dinette table. Power management is equally robust with an inverter, a battery charger, and 16 service batteries, all on a 24 110 250V / 60Hz electrical configuration. Hotel systems comprise a Tecma black water system, grey and fresh water systems, a 24V automatic bilge system, fire detection, underwater lights with color change mode, a remote search light, and a boiler. Finishing quality stands out with AWLCraft superstructure paint over a metallic painted hull.

## Electronics

---

A fully integrated helm centers on 3 Garmin 16 inch displays teamed with a Garmin open array radar, autopilot, AIS, VHF, and sonar, with a compass for traditional reference and 4 cameras enhancing situational awareness. The SEAZONE monitoring system keeps every vital function at your fingertips, while satellite TV and Fusion exterior and interior audio elevate entertainment throughout. Visuals are crisp and immersive via a Samsung 55 inch TV in the salon, a Samsung 48 inch in the master, and an additional Samsung 23 inch in the VIP.

## Appliances

---

The galley is comprehensively appointed with 2 under counter refrigerators and 2 under counter freezers, a Miele oven and stove, a Miele microwave, a winecooler, an icemaker, and a Miele dual washer/dryer, all set beneath durable Corian countertops; daily convenience is further enhanced by a sliding ironing board and a cockpit grill/BBQ for alfresco dining, while a Miele dishwasher streamlines cleanup.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
