OVERVIEW

Phantom 65: A Symphony of Elegance and Power

Step aboard the Phantom 65, a masterpiece of modern yacht design, where luxury meets performance in a seamless blend of sophistication and innovation. Crafted in 2023, this stunning vessel is currently located in the United States and is now available for those who seek the pinnacle of maritime excellence. If you're considering a yacht for sale, the Phantom 65 is an irresistible choice for discerning buyers.

With a commanding length of 65 feet and a generous beam of 17 feet, the Phantom 65 offers an expansive and inviting space for both relaxation and entertainment. Its sleek, fiberglass hull glides effortlessly through the water, powered by twin Caterpillar inboard engines that promise a thrilling yet smooth ride. The diesel engines are not only powerful but also efficient, ensuring that your adventures are as sustainable as they are exhilarating.

Step inside, and you'll be enveloped in an atmosphere of refined luxury. The interior, though not attributed to a specific designer, exudes a timeless elegance that speaks to the highest standards of craftsmanship. With three exquisitely appointed heads, every detail has been considered to provide the utmost comfort and convenience for you and your guests.

The deck, crafted from durable fiberglass, offers a perfect blend of style and functionality, providing ample space for sunbathing, dining, or simply enjoying the breathtaking views. Whether you're hosting an intimate gathering or embarking on a grand voyage, the Phantom 65 is designed to cater to your every need.

For those interested in yacht sales in the current boat location, the Phantom 65 represents an unparalleled opportunity to own a vessel that is as beautiful as it is capable. Don't miss the chance to buy a yacht that embodies the very essence of luxury and adventure. The Phantom 65 awaits, ready to take you on

a journey beyond your wildest dreams.
