## OVERVIEW

---

This exquisite 2001 Princess V65 is equipped with twin MAN 1,300 HP engines, boasting around 1,550 hours of operation. It features an ONAN 17.5 KW generator with 2,230 hours and a Technomar water maker that produces 24 gallons per hour. This stunning yacht can achieve exhilarating top speeds of 38 knots at 2,200 RPM, while cruising comfortably at 30 knots at 1,850 RPM. With a fuel capacity of 960 gallons, 125 gallons of fresh water, and a 50-gallon holding tank, this vessel is perfectly suited for extended voyages.

The yacht showcases a fully enclosable, air-conditioned bridge/cockpit area that includes a helm seat and three additional passenger seats. The elegant teak deck features a U-lounge seating arrangement with a table for six, an L-lounge area, a counter with cabinets, a grill, a sink, a retractable sunroof, and a sliding door leading to the yacht's interior.

Just outside the cockpit, a U-settee invites you to dine al fresco under the stars, enhancing your outdoor experience.

Accommodating up to 6-8 guests with 1-3 crew members, this yacht boasts four staterooms—three with queen beds and one with twin bunks. An additional crew berth in the lazarette makes it ideal for chartering or longer stays. Each stateroom is equipped with new carpeting, overhead lighting, outlets, closets, cabinets, and windows.

The Master and VIP staterooms feature en suite bathrooms, while the third guest bathroom serves as a convenient day head.

The galley is designed for both functionality and style, featuring a spacious counter, storage for china, flatware, and stemware, a beverage locker, two refrigerators/freezers beneath the countertop, a flat electric cooktop, a dishwasher, and ample drawer space.

As part of a 2021 refit, the galley and stateroom hallway now showcase a stunning new teak-and-holly sole floor.

Exterior highlights include side and bow rails, a windscreen brow blind, windshield wipers, a fresh water wash down, a plow anchor with rode, a Lewmar windlass, a transom locker, bow lockers, an aft deck double sun lounger, two fore deck sun loungers, a teak passerelle, and a swim platform with ladder. A jet tender garage is located on the port side aft, while a jet ski garage is situated on the starboard side aft.

The side and forward decks are adorned with new SeaDeck flooring, enhancing both safety and aesthetics.

The lazarette and engine room house the twin MAN 1300-hp engines along with the Onan generator.

Takia's electronics package includes an ICOM 240E VHF, Raymarine autopilot, log/speed instruments, a 2017 Raymarine HD 4 KW Radar, 2017 Raymarine Hybrid ES12 GPS, transducer, 100RX AIS, a Plastimo compass, Furuno Navtex NX300, an FCC Precision barometer, AF engine controller with synchronizer, a bow thruster, trim tabs, and a Horizon hailer.

Ready to Cruise!

DON'T MISS THIS OPPORTUNITY!! This yacht is a remarkable find in the current boat location, perfect for those looking to buy a yacht or explore yacht sales in the area.
