OVERVIEW

DA DINGHY

65' HCB Center Console 2021

The Estrella embodies the elegance and comfort expected from a premier sportfishing or cruising yacht, yet it excels in versatility and performance. Equipped with quint Yamaha (425) outboard engines, this vessel promises an exceptional ownership experience characterized by user-friendliness and low maintenance. Its ride quality and performance are unparalleled, making it easier to maneuver than many competitors' twenty-five-foot models.

Onboard, you'll discover an abundance of comfort and space, featuring a spacious cockpit and a cabin that is significantly larger than typical center consoles. With standard bow and stern thrusters and an impressive 1,500-gallon fuel capacity, the Estrella is designed for extended journeys. The helm area includes five forward-facing seats that provide a commanding view over three expansive Garmin® screens, and these seats can be rotated 180 degrees to create a 10-person dining space alongside a five-person sleigh seat, all sheltered under a robust hardtop.

The cabin accommodates up to five guests, featuring a generous master stateroom, a convertible settee, and a roomy bathroom complete with a separate walk-in shower. For sun enthusiasts, there is a stylish European-inspired bow seating area and a luxurious front lounge. The customizable rear mezzanine seating area offers various configurations to suit your preferences.

For those who appreciate mechanical details, a walk-in machine room provides easy access to all systems while keeping them protected from the elements. The Estrella is a meticulously designed and beautifully crafted Mega Center Console Yacht, delivering high-end luxury and comfort without compromising on performance. Explore yacht sales in the current boat location and seize the

opportunity to buy a yacht that redefines excellence.
