OVERVIEW

“Thinks Its His” is an immaculately preserved flybridge motor yacht, just returned from the yard with fresh bottom paint and precisely tuned, dynamically balanced propellers. Cared for by an experienced owner who spared no expense, she presents as arguably the finest Sea Ray L650 Fly on the market—a luxury cruiser offered truly turnkey.

Beneath her sleek lines sit twin Caterpillar C-18 engines producing a combined 2,300 HP and showing approximately 1,470 hours; those engines propel her to a comfortable 25-knot cruising speed and to roughly 30 knots at wide open throttle. Stability is exceptional thanks to twin SeaKeeper gyro stabilizers that steady the vessel both underway and at anchor, ensuring guests remain comfortable in a variety of conditions and reinforcing her capability as a performance flybridge and bluewater cruising yacht.

Her interior layout is both generous and intelligently arranged, with four guest staterooms and three heads centered around a full beam, midship owner’s suite that offers rare privacy and volume. A separate captain’s cabin with ensuite and dedicated A/C supports professional operation, making her equally well suited as a family motor yacht or an owner operator sport yacht with crew accommodations.

Luxurious touches are found throughout: teak deck surfaces, rich hardwood flooring, bespoke handcrafted cabinetry, granite countertops, Stidd helm chairs, sumptuous leather seating and refined LED lighting—all speaking to meticulous craftsmanship and timeless style for extended cruising and elegant entertaining.

Completing this exceptional package is a 2019 BRIG F420HT tender powered by a 50 HP Honda outboard.
