DETAILED DESCRIPTION

Section name

This is the highest spec'd 658L ever built, and she truly lacks nothing. Powered by CAT C-18 engines with only 880 hours, this vessel promises reliability and performance. The 1000-hour engine and generator service has been completed, and it comes with full CAT warranties, ensuring peace of mind for the discerning buyer. The engine room is equipped with air conditioning, and the TRAC at anchor stabilization system guarantees comfort even when moored.

On the aft deck, you'll find a convenient head and a drop-down TV for entertainment. The flybridge is also air-conditioned, providing a comfortable retreat from the sun. The galley features heated floors, adding a touch of luxury to your culinary experiences. For ease of maneuvering, the yacht is equipped with a Dock Mate system, hydraulic bow and stern thrusters, and a hydraulic windlass. Port and starboard aft docking stations further enhance docking capabilities.

This yacht is designed for extended voyages with a second generator and two watermakers, including a dock watermaker. Extended freezers provide ample storage for provisions. A Highfield 340 tender is included, and the 1500 lbs davit ensures easy deployment. Sea torque shaft seals contribute to the vessel's smooth operation.

The list of features goes on, making this yacht an exceptional choice for those seeking the ultimate in luxury and performance.
