OVERVIEW

ELENA I stands as a remarkable testament to timeless design, offering a seamless choice for those seeking a "classic" 20-meter flybridge yacht. Currently available for yacht sales, this vessel is located in a prime boating area, making it an ideal opportunity for those looking to buy a yacht. The expansive flybridge is outfitted with a crane, perfect for storing a jet-ski and a tender on the aft platform. The sleek hard-top not only enhances the yacht's elegant silhouette but also provides shade for the upper dining area. Inside, the main salon features a comfortable seating area, a fully-equipped kitchen, and the primary helm station on the starboard side. Powered by twin 1150 hp Caterpillar engines, ELENA I reaches a top speed of 32 knots, cruises comfortably at 28 knots, and offers a range of approximately 700 nautical miles in displacement mode. Explore yacht sales in the current boat location and seize the chance to own this exquisite vessel.
