OVERVIEW

66' Luxury Motor Yacht — 2016, Turkey

Meticulously maintained and tastefully upgraded, this 2016, 66-foot luxury motor yacht presents in truly perfect condition—poised for immediate cruising on the sparkling waters of the Mediterranean. Built in fiberglass with a semi-displacement hull, she blends the poise of a refined Luxury Motor Yacht with the confidence and efficiency of a capable Cruiser, delivering a smooth, quiet ride and elegant presence at anchor or underway.

Twin Volvo Penta inboard diesels provide reassuring power, effortless maneuvering, and long-legged efficiency. With nearly 1,200 gallons of fuel aboard and a thoughtfully optimized semi-displacement profile, she offers excellent passage-making potential—ideal for extended coastal adventures or leisurely island-hopping itineraries. A shallow draft just over five feet opens up secluded bays and chic harbors alike, while a generous 17-foot beam translates into impressive stability and volume.

On deck, the layout encourages relaxed indoor-outdoor living—broad, social spaces flow naturally for sunning, lounging, and alfresco dining. The swim platform invites easy access to the water, while the fiberglass decks feel solid underfoot and are crafted for easy care. Inside, the ambiance is contemporary and inviting, with refined finishes and abundant natural light. The result is a warm, sophisticated environment equally suited to elegant entertaining or unhurried family time. Fresh upgrades enhance comfort and usability throughout, reflecting the careful stewardship of a discerning owner.

Practicality matches the style: a substantial water capacity of over 260 gallons supports longer stays off the dock, and the reliable inboard diesel arrangement is engineered for straightforward operation and maintenance. Whether you're planning serene weekends or ambitious seasonal cruising, this Semi-Displacement Cruiser offers the right blend of performance, comfort, and

versatility.

Lying in Turkey and ready for inspection, this 66' Luxury Motor Yacht is an exceptional opportunity—spotless, thoughtfully improved, and prepared to exceed expectations. For owners seeking a refined Mediterranean Motor Yacht with genuine cruising capability, she is that rare find: elegant, effortless, and turnkey.
