OVERVIEW

Step aboard the immaculately maintained 2019 Sunseeker Manhattan 66, LUCKY BET, a flybridge motor yacht that artfully marries classic British craftsmanship with exhilarating performance and sumptuous living spaces. Designed for owners who relish lively entertaining as much as extended cruising, this Manhattan 66 delivers the presence and comfort of a larger yacht while remaining effortlessly manageable.

A generous aft cockpit sets a gracious tone with expansive lounge seating and an elegant teak dining table, creating an ideal setting for waterside meals, evening cocktails, and relaxed hospitality. Immediately aft, a hydraulic swim platform streamlines access to the water, making tender handling and leisurely swims simple and secure.

Open the full-beam glass doors and the salon reveals itself, awash in daylight through broad glazing that frames the sea. The open-plan layout flows naturally from cockpit through salon to galley, where contemporary finishes, luxurious materials, and meticulous joinery reflect Sunseeker's commitment to quality.

Inviting salon seating encourages relaxed conversation with clear sightlines throughout, while the well-equipped galley sits perfectly positioned to keep the chef connected to guests both inside and on deck. Whether hosting alongside the quay or cruising to a secluded anchorage, each space is conceived for convivial, effortless living.

Forward, the lower helm offers commanding visibility and straightforward, ergonomic controls, instilling confidence whether negotiating tight marinas or making longer offshore passages.

Belowdecks, accommodations are generous for a yacht of this size. The full-beam owner's suite amidships takes full advantage of the wide beam to create a tranquil private retreat with an ensuite, while a forward VIP stateroom

provides exceptional comfort for guests. Two further guest cabins complete the layout, allowing this yacht to sleep up to eight without compromise.

Climb to the flybridge and you'll find one of the Manhattan 66's defining entertaining areas: an expansive alfresco deck with an upper helm, plentiful lounge seating, generous sun pads and a fully appointed wet bar—an exceptional vantage point for 360-degree views whether underway or at anchor.

Propulsion comes from reliable twin MAN diesel engines that deliver smooth acceleration, precise handling and true bluewater capability. The deep-V planing hull provides a soft, composed ride, with an easy mid-20-knot cruising pace and top speeds nudging 30 knots, subject to engine specification.

This 2019 Sunseeker Manhattan 66 exemplifies the attributes discerning buyers expect from a premier builder—sleek profile, opulent accommodation, spirited performance and intelligent design at every turn. From Bahamas escapes and client entertaining to extended family voyages, LUCKY BET is a luxury flybridge yacht ready to exceed expectations.
