DETAILED DESCRIPTION

2024 ASTONDOA 66 - BLUE OCEAN

BLUE OCEAN is a 2024 Astilleros Astondoa 66 FLYBRIDGE, measuring 66 ft overall. She is powered by twin MAN V8-1200 engines, each delivering 1,200 HP. Onboard systems and equipment include a Seakeeper 9 stabilizer, electric bow and stern thrusters, and a Quick Electric Windlass. Electrical generation and comfort systems comprise a 21 kW Kohler generator, Condaria air conditioning, Garmin navigation and radar, autopilot, Wi Fi, and a three camera CCTV system covering the cockpit, flybridge and engine room. A Glendinning cablemaster and underwater stern lights are fitted, and boarding gates are provided on both port and starboard sides.

Deck and exterior fitments feature extensive teak decking on the cockpit, side decks including the bow area, swim platform and flybridge; a bioclimatic hardtop pergola on the flybridge; a tender lift; protective covers for sofas, tables and cushions; cushions for the flybridge table; and stainless steel anchor and fittings. The saloon and flybridge have electric table pedestals; the cockpit has a third helm station; lighting is installed in side passageways and the lower area of flybridge furniture; and curtains on the main deck and owner’s cabin are operated by an electric system.

Galley, refrigeration and utility equipment include upgraded refrigeration and freezer capacity with a Vitifrigo C270 refrigerator, an additional 130 L refrigerator in the galley, an additional 90 L freezer in the fourth cabin, an additional 90 L freezer in the galley (ordered together with the additional refrigerator), and a 130 L refrigerator in the crew cabin. Cooking and domestic appliances comprise a Bosch induction stove, Bosch combination microwave oven, Bosch dishwasher, Cata G45 stainless steel extractor hood, Bosch washing machine and Bosch dryer, plus an ice maker and a CR85

stainless steel refrigerator. A Kenyon electric barbecue is fitted.

Accommodations include a crew cabin modified to raise the height of the forward bed to allow storage of fenders underneath. Interior finishing includes custom edged carpet for the galley and saloon.

Audio visual and entertainment gear comprises multiple Samsung TVs: one 55” with lift on the flybridge, two 50” units in the saloon and owner’s cabin, one 32” in the VIP and two 24” units in a guest cabin and crew quarters. Sound systems include Yamaha systems in the saloon and interior cabins, a Yamaha subwoofer, a Yamaha system and JL speakers in exterior areas driven by a Fusion stereo with two remote controls.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
