OVERVIEW

2023 Lagoon SIXTY 7 — Location: Hong Kong — Price: EUR 3,280,000

Presenting an immaculate 2023 Lagoon SIXTY 7 motor catamaran, offered now in Hong Kong. Built in Bordeaux at Lagoon's advanced shipyard, this flybridge power cat marries refined form with practical technology to satisfy contemporary yachting ambitions. At 20.15 m in length and stretching a 10 m beam, the multihull architecture provides generous indoor outdoor living, panoramic sightlines and outstanding steadiness — an inviting platform for blue water voyaging and sophisticated entertaining.

Accommodation comprises four ensuite cabins that serve as tranquil private havens, ideally suited to welcoming family and guests for short breaks or extended passages. A dedicated open air cinema enhances evenings at anchor, lending a superyacht ambiance to al fresco relaxation aboard the cruiser.

Performance is bolstered by upgraded Yanmar 440 hp engines, delivering nimble responsiveness, a comfortable cruising speed of 14 knots and up to 19 knots at full throttle. With 5,500 L of fuel and 1,000 L of fresh water aboard, the yacht offers notable range and self sufficiency for long distance exploration. Inside, Nauta Design's elegant interiors create a serene, modern environment, while Patrick Le Quément's exterior lines convey restrained sophistication. Every detail — from helm ergonomics to deck circulation and lounging areas — is conceived for effortless liveability. A standout among luxury motor yachts and power cats, this SIXTY 7 combines innovation, comfort and style and is ready now in Hong Kong for discerning owners seeking true long range capability.
