OVERVIEW

M/Y Who CARES is a striking Riva 68 Ego that marries Italian craftsmanship with the sporty elegance of a high-performance open motor yacht, delivering a presence that draws admiring glances in every anchorage and marina. Measuring 68 feet, she accommodates up to six guests across three exquisitely finished ensuite cabins and houses a crew cabin for two, while her decks and interior are appointed with the attentive detail expected of a luxury sports yacht. Propelled by twin MAN V12 engines that together produce 3,100 hp, Who CARES offers exhilarating speed without sacrificing the refined comfort and timeless style that make her equally suited to private family cruising or commercial charter. Practical luxuries include a hydraulic swim platform perfectly sized for jet-ski use and a dedicated tender garage for a Williams tender, ensuring seamless transfers ashore. Ready for her next custodian, this performance yacht promises an elegant, standout experience for discerning buyers.
