## OVERVIEW

---

Launched in 2018 and currently berthed in Greece, this 68-foot motor yacht marries Mediterranean refinement with assured performance. A broad 17-foot beam creates exceptionally generous interior volume and sweeping deck areas, while a draft of just under six feet permits access to sheltered bays and the charming harbors scattered across the islands.

Propelled by twin MAN inboard diesels, she offers the dependable power and responsiveness a discerning owner expects—cruising effortlessly at 24 knots with the ability to reach 32 knots when open-water speed is desired. A substantial fuel reserve of over 1,050 gallons, combined with efficient propulsion, enables confident passage-making; approximately 238 gallons of freshwater support relaxed, extended stays at anchor.

On board, the atmosphere is elegant yet welcoming. Sun-drenched living spaces are embraced by expansive glazing, forging a continuous link to sea and sky. High-quality finishes and precise joinery set a refined tone throughout, with comfortable salon seating for conversation, a dedicated dining area for leisurely meals, and cleverly designed storage to keep provisions and linens neatly stowed for longer voyages. Exterior living is tailored to the Mediterranean way of life—generous sun pads and seating for lounging, a convivial cockpit for aperitifs at dusk, and al fresco dining with the shore as a moving panorama.

Accommodation is arranged for effortless family cruising or intimate escapes, sleeping up to five guests in comfort, with three well-equipped heads providing privacy and convenience. A separate crew cabin for two ensures discreet service and a clear division between guest and crew spaces, whether the yacht is owner-operated or fully crewed.

Built on a robust GRP/fiberglass platform, the hull delivers strength, reduced noise, and manageable maintenance. Underway the ride is composed and

secure; at anchor the generous beam and intelligent layout create a serene, spacious ambiance. Whether threading the Cyclades, entertaining on deck, or savoring a tranquil morning at anchor, this 68-footer presents a polished, contemporary yachting experience with the soul of a true Mediterranean cruiser.

## DETAILED DESCRIPTION

---

### Sunseeker Manhattan 66 "Bishwish"

---

This award-winning Sunseeker Manhattan 66 "Bishwish" epitomizes Mediterranean-style yachting, offering a beautifully balanced fusion of comfort and performance. The social heart of the yacht sits aft, where a galley-aft layout and a well-appointed cockpit bar create an effortlessly convivial setting for dining and entertaining, while the Beach Club Package enhances the aft deck with an electric grill and a fold-down platform seat that form an inviting retreat for relaxation at anchor in secluded bays. Thoughtfully arranged for extended cruising, she comfortably accommodates eight guests and two crew, with a layout centered on a full-beam master cabin featuring private access and a charming breakfast area, supplemented by a forward double cabin, a twin port guest cabin and a converted double starboard guest cabin configured to adapt to changing needs. M/Y "Bishwish" is further distinguished by upgraded AV, navigation and performance packages, and a T-Top flybridge fitted with premium amenities that elevate open-air living. With only one owner since new and a complete service history, she presents a meticulously specified Manhattan 66 that is immediately available for sale — an exceptional opportunity to step aboard a turnkey yacht of this calibre.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
