## OVERVIEW

---

At 20.8 metres (68'3"), YAS 88 is a Cranchi Sessantasette 67 flybridge motor yacht built in Italy, notable for a contemporary profile defined by clean, decisive lines and a dramatic contrast between a lustrous white hull and a dark, glass wrapped superstructure. Her 5.45 metre beam translates into generous interior volume and a commanding presence on the water. Twin Volvo Penta D13 IPS 1350 engines, governed through intuitive joystick control, deliver efficient power, nimble handling and effortless close quarters manoeuvrability. Humphree fin stabilisers further enhance comfort both underway and at anchor, ensuring a smoother ride across a wide range of sea conditions. Created for alfresco enjoyment, the yacht offers expansive deck areas and a capacious flybridge topped by a T top with electrically opening slats. With 4,000 litres of fuel and 900 litres of freshwater, YAS 88 is perfectly equipped for comfortable coastal cruising and long, unhurried days afloat. Blending contemporary Italian styling, advanced engineering and practical functionality, YAS 88 stands as a highly specified expression of the acclaimed Cranchi Sessantasette 67 luxury cruiser.
