OVERVIEW

The 640 FLY sets a new benchmark, introducing features rarely seen in this size. This shape-shifting flybridge motor yacht embraces a fresh approach to layout and volume, unlocking remarkable interior space while preserving the sleek, signature lines Galeon is admired for. A true luxury cruiser with superyacht flair.

Aft, the cockpit dining area seats eight and is served by an entertainment system with a 40-inch TV that rises from the galley top, all sheltered by an electric aft sunshade. Step back to the hydraulic swim platform—ideal for tenders and toys—with convenient access to a generous skipper's cabin.

Above, the expanded flybridge delivers a spacious dining zone, a full bar, and ample lounging wrapped around the helm. Forward, reach the bow lounge through a groundbreaking power-opening windscreen to find two independent movable sofas with folding tables that convert for sunbathing, supported by a nearby wine bar for effortless hosting. Beach Mode returns with six-meter fold-out terraces featuring partially glazed sections and breakfast bars on both sides—pure open-air magic.

Seakeeper 9 gyro stabilization

Yacht Controller

Upgraded premium stereo system (\$35,000)

Underwater lights

All-new exterior cushions

New and upgraded A/C chillers (\$65,000)

Opportunities this special are rare. Among the most coveted flybridge yachts in its class, the Galeon 640 delivers unmatched versatility and entertainment possibilities, blending bluewater capability with refined motor yacht comfort. A standout flybridge cruiser for family cruising, sophisticated entertaining, and

performance motoryacht style.

DETAILED DESCRIPTION

Cockpit

On this flybridge motor yacht, the cockpit is designed for easy entertaining and safe movement at sea. A lockable stainless-steel and glass sliding salon door with a flush threshold opens to a teak-decked, self-draining area with a molded engine-room access hatch. Comfortable living is assured with a C-shaped upholstered sofa that extends into an aft sun pad, a dual aft-facing seat, a freestanding table, and integrated speakers. Practical details abound: cupholders are placed within reach, 316 stainless-steel handrails line the walkways, and both overhead and indirect LED lighting illuminate the cockpit and stairs after sunset. Starboard-side molded fiberglass stairs with teak treads and stainless handrails lead up to the flybridge, while side lockers provide discreet storage for cruising gear on this luxury motor yacht.

Stern

Aft, this cruiser's stern area brings capability and convenience together. There are two stainless-steel cleats and a robust hydraulic swim platform with teak decking, a connecting stairway, and a collapsible three-step swim ladder—ideal for tenders and water toys. Shore utility is straightforward with dual 240V shore-power inlets, a freshwater hot-and-cold shower, and a cockpit access door in stainless and acrylic. The crew cabin is thoughtfully appointed with air conditioning, two single beds, overhead LED lighting, 120V outlets, a portlight, generous cabinetry with shelving, and a wardrobe with a stainless rod. A private crew head features a sink with faucet, a separate shower, and a toilet with electric pump and macerator. Molded starboard stairs lead up to the cockpit, while side lockers and indirect LED lighting keep the space tidy and welcoming on this bluewater-ready motor yacht.

Flybridge

The flybridge of this luxury flybridge yacht is a social hub with molded non-skid, self-draining decks and 316 stainless-steel handrails for assured footing. The helm station places everything at the captain's fingertips: compass, USB outlets, full station instruments and controls, engine data display, switches, thruster control panel, fire system monitor, engine start panel, trim tab control panel, dual-lever control, and a responsive steering wheel. A Fusion 12V AM/FM stereo with Bluetooth and speakers sets the mood. Comfort comes naturally with a doublewide helm seat, an adjacent doublewide sofa, a forward sunpad, and a U-shaped upholstered lounge surrounding a foldable fiberglass table. A fiberglass arch carries the stainless radar mast, while a Venturi wind deflector in plexiglass with 318 stainless rails softens the breeze. The wet bar is ready to serve with a fiberglass sink and retractable faucet, a refrigerator, and dedicated storage. Access is via a secure flybridge hatch; after dark, indirect LED lighting and an anchor light keep this open-air entertaining space inviting for family cruising and hosting.

Salon/ dinette

The salon of this premium motor yacht welcomes you with panoramic side windows and window treatments, a wood floor, and overhead LED lighting with warm wood detailing. Dual corridor stairs with indirect LED spotlights create an elegant flow, while a carbon monoxide detector provides added peace of mind. Relax on the C-shaped sofa paired with a hi-lo wood table offering storage beneath, and enjoy the convenience of 120V outlets and blinds for the salon entrance door. Entertaining is effortless with a forward wet bar, sink, and storage, and there is unique bow access through the windshield—another hallmark that makes this cruiser practical and

memorable.

Galley

Purpose-built for longer stays, the galley combines form and function. A Corian worktop with a matching shelf frames the twin stainless-steel sink with faucet and a fitted wood cutting board. Cooking is fast and efficient on the 240V two-burner induction cooktop, supported by a microwave and an overhead extractor fan. Illumination is balanced with accent LEDs and overhead LED lighting with wood detailing. Practical touches include a GFI-protected 120V outlet, an under-counter refrigerator with freezer compartment, and abundant storage in cabinets, overhead cupboards, and dedicated glass storage. Panoramic side windows with window treatments add natural light, while the starboard breakfast bar turns the space into a casual social nook—ideal for life aboard a luxury yacht.

Main lower helm station

The main lower helm gives the captain confidence in all conditions. Essential readouts and controls are smartly arrayed: compass, USB outlets, full station instruments and controls, engine data display, switches, thruster control panel, fire system monitor, engine start panel, trim tab control panel, EVC dual-lever control, rudder indicator, and synchronized twin windscreen wipers with a windshield washing system and defroster outlets. Comfort is considered with air-conditioning vents and a dual captain's seat with armrests, while two high-water bilge alarms add a reassuring layer of safety—hallmarks of a capable bluewater cruiser.

Master cabin/ owner cabin full beam mid ship

The full-beam midship owner's suite is a private retreat. A queen-size centerline bed with a polyurethane high-resilience foam mattress, bed cover, and under-berth storage sits beneath a decorative headboard with adjacent reading lamps. Soft carpeting underfoot, LED accent, overhead, and skylight lighting, and panoramic side windows with treatments create a calm ambiance, safeguarded by a carbon monoxide detector. Daily convenience includes nightstands with storage, 120V outlets to port and starboard, a vanity with stool, and wardrobes on both sides, plus a dedicated storage cabinet. Entertainment arrives via a Samsung Smart LED TV with Blu-ray player and a Bose 120 sound system with soundbar and Acoustimass module—perfect for relaxed evenings on a luxury motor yacht. A private door leads to the owner's head and shower, complete with a full-length mirror.

Master cabin head / owner's head

The owner's head is bright, practical, and easy to maintain. A Corian countertop with a ceramic bowl and chrome faucet sits opposite mirrored cabinets and ample storage with shelving. The separate shower area features a plexiglass door, a Corian panel, and a chrome shower system with an overhead rain shower, complemented by a floor drain and a refined shower tile mosaic. Safety and comfort are ensured by an A/C vent, an extractor fan, non-slip molded fiberglass flooring, LED overhead lighting, and a GFI-protected 120V outlet. An opening tinted porthole with a mosquito net brings in fresh air, while the toilet with electric pump and macerator underlines the yacht's thoughtful engineering.

Forward guest cabin / vip cabin

The forward VIP is welcoming for longer cruises. A queen-size centerline bed with a polyurethane high-resilience foam mattress, bed covers, drawers, and additional storage anchors the space, framed by a decorative headboard with adjacent reading lamps. Carpeting, LED accent and overhead lighting, and panoramic side windows with treatments create a quiet retreat. Guests enjoy 120V outlets, an opening foredeck skylight with a rectangular hatch and manual blinds, and opening tinted portholes with mosquito nets integrated into the main windows to port and starboard. Storage abounds in overhead and adjacent cabinets on both sides, alongside a vanity with stool, a wardrobe with a lighted stainless-steel rod, and a private stairway entrance. Private access leads directly to the dedicated bow head and shower—another thoughtful touch of a refined cruiser.

Forward head & shower /vip head

The VIP head mirrors the owner's quality with easy-clean finishes. A Corian countertop with a ceramic bowl and chrome faucet faces a mirrored cabinet and additional storage. The separate shower area has a hinged plexiglass door, a Corian panel, and a chrome shower system with an overhead rain shower, plus a floor drain and a tasteful shower tile mosaic. Ventilation and safety come from an A/C vent, an extractor fan, non-slip molded fiberglass flooring, LED overhead lighting, and a GFI-protected 120V outlet. An opening tinted porthole with a mosquito net adds fresh air, and the toilet with electric pump and macerator completes the setup.

Mid guest cabin

The mid guest cabin flexes from family to friends with convertible twin beds on

high-resilience polyurethane foam mattresses, bed covers, and under-berth storage; a filler cushion quickly forms a comfortable double. Details include a nightstand with a storage drawer, a 120V outlet, two reading lamps, overhead LED lighting, carpeting, and a carbon monoxide detector. Natural light comes through an opening tinted porthole insert in the main window with a mosquito net, and privacy is ensured with side window treatments. Overhead cabinets and a wardrobe with a lighted stainless-steel rod keep belongings organized—practical touches that matter on a family cruiser.

Guest head & shower

The guest head combines durability and comfort. A Corian countertop with a ceramic bowl and chrome faucet pairs with mirrored cabinets and additional storage. The separate shower area features a hinged plexiglass door, a Corian panel, and a chrome shower system, with a floor drain to keep the space dry. Practicalities include an A/C vent, an extractor fan, non-slip molded fiberglass flooring, LED overhead lighting, a GFI-protected 120V outlet, and an opening tinted porthole with a mosquito net. The toilet with electric pump and macerator underscores this yacht's well-rounded hospitality.

Crew cabin

The crew cabin is functional and comfortable for extended cruising. There are two twin beds, LED lighting, and a window for natural light, plus practical amenities such as a refrigerator, a microwave, and organized storage. A private head with shower and sink, along with direct engine-room access, keeps the team efficient and the luxury yacht running smoothly.
