OVERVIEW

2019 68' Luxury Motor Yacht — United States

Sophistication and contemporary performance converge aboard this 68-foot motor yacht, built and launched in 2019 and presently lying in the United States. Her sculpted, modern lines and meticulous craftsmanship invite a refined yachting experience designed for elegant coastal passages and spirited entertaining alike. The hull and decks are fashioned from advanced fiberglass composite, providing a rigid, quiet ride with low upkeep and a deep, high-gloss finish that turns heads at the dock and performs with poise underway.

Exterior spaces are generous and thoughtfully arranged for leisure and sociability: broad lounging areas and a welcoming aft deck form an ideal setting for alfresco dining, sunset cocktails, and easy conversation, while safe, grippy fiberglass decking and wide passageways ensure confidence moving about. The yacht's sleek profile speaks to contemporary design language, marrying aesthetic presence with practical seaworthiness in a 68-foot footprint that balances expansive comfort and manageable handling.

Inside, large windows usher natural light into a serene, finely finished salon—an airy, open-plan retreat intended for gathering, dining, and relaxation in climate-controlled comfort. The galley is appointed to support gourmet cooking at sea or at anchor, and below decks, restful staterooms and refined heads create tranquil accommodations for owners and guests on extended weekends or longer voyages. Fine materials, tasteful detailing, and ergonomic planning contribute to an interior that is both luxurious and highly livable.

Twin Volvo engines deliver smooth, reliable power, offering confident acceleration and composed cruising manners. The well-planned helm affords excellent sightlines and intuitive control, augmented by modern navigation displays for clear, informed passage-making. Whether slipping away for a quiet coastal escape or hosting a lively afternoon on the bay, this 2019 68' embodies

a compelling blend of luxury, versatility, and enduring style—perfectly suited to discerning yachtsmen seeking a graceful, capable vessel for refined weekend getaways or spirited coastal cruises.
