OVERVIEW

2008 Hatteras 68 Convertible — “REEL TEXAN” is a pedigree bluewater sportfishing yacht that marries tournament-ready capability with luxury yacht appointments, offering four staterooms and four heads, a full-beam owner’s suite and an exceptionally generous salon made possible by her sweeping 21' 6" beam. Her draft of 5'4", aided by prop pockets and efficient eight blade wheels, provides a favorable balance between performance and shallow-water access, while capacious tankage—2,100 gallons of diesel and 400 gallons of freshwater—delivers true range and onboard self-sufficiency. Originally delivered to Maine and kept under cover in a boathouse for roughly half of each year through 2018, she remained unfished until 2019 when an extensive refit transformed her into a refined turnkey convertible: new paint, twin Seakeeper stabilizers, a reimagined interior, upgraded electronics, a tournament fighting chair, rocket launcher and new riggers were all installed. As the newest-model 68 open-bridge currently offered and among the lowest-hour examples available, she shows light use with just 2,670 original hours on twin Caterpillar C32 Acert engines rated at 1,800 hp each, reflecting an average load factor of 22% and with approximately half those hours accrued at idle. Redundant electrical power comes from twin Onan 27.5 kW generators (starboard 2,145 hours, port 3,415 hours), underscoring meticulous systems care and overall reliability. Further enhancements completed in 2023 include a new teak cockpit, new televisions and mattresses, and a low-profile Nautical Structures 2,000 lb davit (tender excluded), while navigation and connectivity have been elevated with refreshed Garmin electronics and Starlink. Recent renewals to air-conditioning compressors and refrigeration, together with additions such as a bow thruster, watermaker and ice chipper, ensure effortless comfort and tournament-level functionality. The interior shines with high gloss cherry joinery, wrapping guests in the warm, sophisticated ambiance of a motor yacht. Maintained in immaculate condition

by a full-time captain and used exclusively for private ownership—never chartered—this Hatteras 68 Convertible is genuinely available; offers are encouraged and inspections are straightforward in Fort Lauderdale, FL.
