DETAILED DESCRIPTION

Recent upgrades and services

This yacht has recently benefited from an extensive array of upgrades and services, ensuring it is in excellent condition for its future owner. The exterior has been revitalized with fresh paint on the garage door, steps, and transom, along with a newly painted boot stripe. To boost its performance and durability, new anti-fouling paint has been applied. The sea chest for raw water has been replaced, guaranteeing optimal functionality.

Inside, all air conditioning units have been updated, ensuring a pleasant atmosphere in any weather. A new Garmin radar has been installed, enhancing navigational precision. The salon has been refreshed with new soft furnishings, and all exterior cushions and covers have been redone, providing both comfort and elegance.

The yacht has also undergone a complete passerelle overhaul, ensuring smooth and dependable operation. A 1000-hour service has been performed, preserving the yacht's mechanical soundness. All hydraulic hoses and pumps associated with the steering, sunroof, and garage door have been replaced, as well as all engine and freshwater hoses. The batteries and charger have been renewed, ensuring a dependable power supply.

Lastly, the propellers have been inspected and the shaft seals replaced, ensuring the yacht's propulsion system is in peak condition. These comprehensive upgrades and services make this yacht an exceptional choice for any discerning buyer.

Aft deck and swim platform

The aft deck and swim platform of this yacht are crafted for the ultimate

outdoor leisure experience. Relax on the spacious sun pad or gather around the extendable varnished teak table for enjoyable dining in the open air. On hotter days, a custom sunshade offers essential shade, ensuring everyone on board remains comfortable. The hydraulic garage door and expansive swim platform provide effortless access to the water, enhancing your aquatic adventures. Additional amenities include sophisticated teak decks, a handy refrigerator, an ice maker, and a Miele BBQ for gourmet outdoor cooking. An exterior shower is available for a refreshing rinse after a swim, and the hydraulic passarelle adds an extra touch of convenience, making this area both practical and luxurious.

Electronics

The yacht boasts an extensive array of cutting-edge electronics, guaranteeing a smooth and pleasurable navigation experience. Central to its navigation system is the Raymarine ST 70 Autopilot, paired with a digital compass for accurate course alignment. The Garmin GMR Fantom TM 54, a four-foot open array Doppler radar, enhances safety by highlighting moving targets, offering clear and precise situational awareness. For chart plotting, the yacht is equipped with both a Garmin GPSMAP 8617 Plotter and a Raymarine G Series Plotter, providing redundancy and flexibility in navigation.

Communication is ensured by the Raymarine Ray 240 VHF, maintaining dependable contact with other vessels and shore stations. Onboard entertainment is elevated with the Fusion Sat Stereo, delivering exceptional sound quality throughout the yacht. The Docking Master, a remote-controlled docking system, simplifies the docking process, offering ease and accuracy. Additional features include a searchlight for improved visibility during nighttime operations and controls for bow and stern thrusters, ensuring superior maneuverability. This sophisticated suite of electronics ensures that every voyage is both secure and enjoyable.

Salon

The salon is crafted for both leisure and entertainment, seamlessly combining comfort with elegance. A generous U-shaped sofa and a love seat encircle a multifunctional cocktail table, which easily converts into a dining table for enjoyable meals at sea. The sophisticated oak wood veneer throughout the salon sets a timeless tone, further enhanced by a large sunroof that bathes the area in natural light, creating a welcoming and open atmosphere.

For entertainment, the salon features a pop-up Samsung TV and a Bose sound system, delivering exceptional audio and visual experiences. Chic natural window shades offer privacy when needed, allowing you to relax in comfort. This meticulously designed salon is perfect for both intimate gatherings and vibrant entertainment on the water.

Galley

The galley is a fully equipped area that turns cooking into a pleasurable experience, ideal for culinary explorations on board. It includes a Miele oven and microwave combo, offering a range of cooking possibilities. The Bosch 4-burner cooktop provides plenty of room for preparing several dishes at once. An Isotherm refrigerator and freezer keep all your ingredients fresh and ready to use. The stainless steel sink combines practicality with elegance, while the Miele dishwasher ensures that cleanup is a breeze. This carefully designed galley has everything required to craft unforgettable meals at sea.

Master stateroom

The full-beam master stateroom serves as a luxurious haven, crafted to deliver exceptional comfort and sophistication. It boasts a king-sized berth, providing a generous and tranquil sleeping area. Large hull-side windows offer stunning

vistas, enveloping you in the surrounding beauty. A cozy couch beckons you to relax and unwind, making it a perfect spot for leisure. The ensuite head and shower guarantee privacy and convenience, further enhancing the stateroom's allure. Refined details, like a leather headboard and a sizable Samsung TV, elevate the overall atmosphere, ensuring your comfort is always the top priority in this magnificent space.

VIP stateroom

Positioned at the front, the VIP stateroom provides a lavish and welcoming environment for guests. It includes a cozy queen-sized berth, offering a peaceful escape after a day of exploration. The ensuite head with shower guarantees privacy and convenience, making it easy for guests to enjoy their stay. For entertainment, the stateroom is outfitted with a Samsung TV and a JVC Tuner-CD-DVD Player, crafting a snug atmosphere where guests can relax and indulge in their favorite media. This well-equipped stateroom ensures that every guest enjoys comfort and tranquility during their time on board.

Guest stateroom

The guest stateroom is perfectly designed to host additional guests, providing a cozy and inviting atmosphere. It includes two single berths placed side by side, offering generous sleeping accommodations. Entertainment options are abundant with an LG TV and a JVC DVD player, enabling guests to watch their favorite shows and films in the comfort of their own space. A hanging locker is available for convenient storage, ensuring guests have ample room to store their belongings. This carefully crafted stateroom ensures that every guest feels at ease and enjoys a delightful stay on board.

Crew cabin

The crew cabin is meticulously crafted to offer comfortable and private quarters for your crew. It includes a snug berth, guaranteeing a peaceful night's sleep after a demanding day. For leisure, the cabin is fitted with a TV and stereo system, enabling crew members to relax and enjoy their downtime in their own space. The ensuite head and shower provide both convenience and privacy, allowing the crew to easily maintain their personal routines. This dedicated cabin ensures that your crew is well looked after, supporting the smooth and enjoyable operation of the yacht.

Electrical and mechanical

The yacht's electrical and mechanical systems are meticulously designed to deliver both reliability and efficiency, with several recent enhancements. In 2022, new Dolphin chargers were added, including a 12-volt charger and a 24-volt charger with a 100-amp capacity, ensuring robust power management. The Charles ISO Boost 50 further optimizes the electrical system's performance. The yacht is fitted with four new 8D batteries and four new 12-volt batteries, all installed in 2022, along with a dedicated 12-volt battery for the generator, guaranteeing a plentiful power supply for all onboard systems. In 2023, the 50 AMP shore power cord was replaced and now features a cable master, simplifying the connection to shore power. The yacht is powered by an Onan 19kW generator, delivering dependable energy for all electrical requirements. These comprehensive electrical and mechanical features ensure that the yacht runs smoothly and efficiently, providing peace of mind to its owners and crew.

Additional equipment

This yacht is equipped with a variety of additional features designed to enhance safety, convenience, and enjoyment on the water. A new 10-person life raft is included, ensuring readiness for any emergency. The yacht is fitted with an 800 GPD water-maker, offering a dependable supply of fresh water during long journeys. Four underwater lights illuminate the surrounding waters, creating an enchanting atmosphere for nighttime cruising.

For fuel management, Racor fuel filters are installed, ensuring the engine runs cleanly and efficiently. The Lofrans anchor windlass, with 200 feet of chain, provides strong anchoring capabilities, making mooring both secure and straightforward. In the engine room, a fixed fire system is installed, adding an extra layer of safety and peace of mind. These carefully chosen pieces of equipment ensure that the yacht is well-prepared for a range of conditions and experiences at sea.

Disclaimer

The Company offers the details of this vessel with sincere intent, aiming to deliver precise and dependable information. Nonetheless, it cannot assure or guarantee the accuracy of this information, nor can it vouch for the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any details they wish to confirm.
