# OVERVIEW

LISTED PRICE IS AN INDICATION. ALL SERIOUS OFFERS WELCOMED.

The 2007 Azimut 68S stands as an Italian masterpiece that transformed expectations for express cruisers and sport yachts, its bold silhouette and spirited performance rewriting the rulebook. This 68-foot form marries the aggressive posture of a high-speed open motor yacht with the polish of a luxury motor yacht, offering a true single-level main deck that unfurls into an expansive alfresco lounge at the touch of a button thanks to a large retractable hardtop and salon doors that fully disappear. Below deck, minimalist Italian styling is punctuated by rich wengé veneers and the model's signature square hull windows, creating a tranquil sanctuary that culminates in a rare full-beam owner's suite with sweeping sea vistas. The main deck delivers nearly 360-degree sightlines while the sliding roof unveils over 60 square feet of open sky, and every line and joinery detail speaks to construction in Avigliana to uncompromising standards. Fast, stylish, and comfortable in equal measure, this performance yacht is an unmissable proposition within the 68-foot express cruiser, open motor yacht, and hardtop sports cruiser categories. Several years ago the vessel took on water while dockside; she has since been cleaned and staged for refurbishment. Mechanical, electrical, and interior systems will require a comprehensive refit, and the installed engines are currently seized. The sellers have two pairs of MAN diesel engines and a generator available separately. This striking hull presents tremendous potential—prospective buyers are invited to inspect and submit offers. No trailer is included with this sale.
