## OVERVIEW

---

Presented for owners who prize refined design, exciting performance, and flawless Sunseeker craftsmanship, this Predator 68 demands attention. Readily available for viewing and carefully prepared for her next discerning owner, she combines bold, muscular lines with exhilarating speeds of up to 36 knots and interiors awash with natural light. A broad hardtop sunroof and frameless windows blur the boundary between inside and out, while a hydraulic swim platform, tender garage, and elegant finishes promote effortless indoor/outdoor living. Offering the pace, poise, and comfort ideal for entertaining, she is a quintessential Motor Yacht, Sport Yacht, Express Cruiser, Open Motor Yacht, and Performance Yacht—equally suited as a luxury cruiser or weekend escape. Recent updates include new exterior upholstery and completed M1 engine services.

# DETAILED DESCRIPTION

---

## Hull & moulding

---

The profile begins with a white hull traced by a Jet Black boot top line, set off by Esthec Platinum decking with white corking laid across the platform, aft cockpit steps, the aft cockpit itself, the aft cockpit grating and the steps that rise to the foredeck sunpad. A hydraulically lifting platform effortlessly handles up to 450kg, while preparations are already in place for the future installation of a Water Maker. By night, four white Lumishore LED underwater lights set the water aglow. The yacht is specified in a three cabin, lower galley layout, a composition that balances style, durability and practical seafaring design.

## Foredeck

---

A black mesh windscreen and hard top glass cover shield the foredeck, where a fresh water deck wash outlet keeps everything pristine. Anchoring is authoritative with sixty metres of galvanised chain on a Lewmar 40kg Delta anchor, managed by a Lewmar V5GD 24V windlass. Comfort is assured on bow sunbathing cushions with folding backrests, while entertainment carries forward with removable Bose speakers powered by a Sonos Connect amplifier. Low level white LED side deck lights, eight per side, trace the decks after dark.

## Aft cockpit

---

An electric black canopy deploys at a touch to shade the aft cockpit, where a teak table anchors a convivial lounge complemented by dedicated aft cockpit speakers. Entertaining is effortless with an electric ceramic Domino griddle, a Victrofrigo ice maker and an insulated ice chest cooled by Coolmatic, with a water purifier feeding the ice maker for crystal clear cubes. Practical touches

include a fresh water deck wash outlet, a fresh water marina connection with pressure regulator, a handheld swimming shower and a folding stainless steel bathing ladder stowed discreetly under a fiberglass lid. Docking is simplified by Lewmar stern docking winches to port and starboard, a Glendinning Cablemaster and an aft docking station with second Xenta Smart stick docking, Multi panel and horn. An additional pair of 12 inch oval mooring cleats is fitted low on the aft hull band facing aft, while a carbon fiber and polished stainless steel ensign staff replaces the standard. The tender recovery roller system is pre set for a Williams 325.

## **Saloon and dining**

---

A serene palette of Silver Oak in satin finish flows over wide plank oak flooring, while the bar console is crowned by Nero Absolute Granite in an immaculate gloss. Lounge and dining seating are upholstered in Snow Leather, gathered around a gloss wenge coffee table. Climate is perfected by three 16,000 BTU air conditioning units. Entertainment is cinematic via a Samsung 55 inch television paired with a Harmon Kardon Blu ray/DVD/CD/FM receiver, five surround speakers and an HK subwoofer, with an integrated U Line wine cooler standing ready. Dimmers on the overhead lighting shape the mood at will.

## **Navigation station**

---

The helm is a study in precision: Nero Leather seats with contrast silver diamond pattern stitching face a console with carbon fiber effect panels, while the sliding roof's inner face is finished in clear gloss carbon fiber. A comprehensive Simrad suite includes two IS42 speed/depth instruments with a depth/speed/temperature transducer, an AC12 autopilot system with iS42 pilot display and QS80 pilot keypad, and twin 16 inch MO16 T touch displays.

Navigation and awareness are amplified by a Simrad GS25 GPS and OP50 controller, a Simrad Halo 4 pulse compression radar with 64nm range and a 4 foot open array scanner, a Simrad RS90 VHF radio with DSC and a 2.4 meter whip antenna, plus a Simrad AIS module with GPS and a dedicated 2.4 meter AIS VHF antenna. A Sanshin T win Beam searchlight pierces the night, the Xenta Smart stick docking system refines close quarters control, and proportional lever control governs bow and stern thrusters.

## Galley

---

The galley is as beautiful as it is practical, with a Nero Absolute Granite worktop over wide plank oak flooring and its own dedicated 6,000 BTU air conditioning unit. Refrigeration is by a stainless steel, dual voltage Vitrifrigo refrigerator above with two freezer drawers below. Cooking is handled by a three ring ceramic hob with a Bosch extractor fan, complemented by a Miele integrated slimline dishwasher and a Miele compact combination fan oven in lieu of the standard fit, delivering both form and robust function.

## Owner stateroom

---

The owner's sanctuary is finished in Silver Oak satin with carpets in Sensation Original Icing Sugar underfoot, and a sprung mattress for deeply restful nights. Climate is assured by a 16,000 BTU air conditioning unit. Entertainment comes via a Samsung 32 inch television with Harmon Kardon and stereo flush speakers. Square polished chrome bezel overhead lights, all on dimmers, and flexible arm polished chrome reading lights set the tone, while a generous walk in wardrobe organizes every journey. The master ensuite features Nero Absolute Granite flooring in a high gloss finish, a Tecma 2g toilet and Hansgrohe taps and accessories in polished chrome. A Dometic safe is

discreetly concealed within the cabinetry.

## Vip forward stateroom

---

Forward, the guest suite finished in Silver Oak low build satin offers a sprung mattress and its own 12,000 BTU air conditioning unit. A Samsung 32 inch television with Harmon Kardon and stereo flush mount speakers provides entertainment, with dimmable overhead lighting and polished chrome flexible reading lights for perfect ambience. The ensuite is appointed with Nero Absolute Granite gloss finish flooring, a Tecma 2g toilet and Hansgrohe taps and accessories in polished chrome.

## Starboard guest cabin

---

The starboard guest cabin, finished in Silver Oak low build satin, features sprung mattresses for the single berths and its own 6,000 BTU air conditioning unit. A 22 inch television with Harmon Kardon and stereo flush mount speakers serves entertainment, while dimmable overhead lighting sets the mood. The ensuite continues the theme with Nero Absolute Granite flooring, a Tecma 2G toilet and Hansgrohe ensuite taps and accessories in polished chrome.

## Crew cabin

---

The crew cabin is climate controlled by a dedicated 6,000 BTU air conditioning unit and made practical with a Splendide washer/dryer. A Tecma 2G toilet, dimmable overhead lighting and polished chrome flexible reading lights round out a thoroughly capable space.

---

## Electrical and engine room

---

Power management is refined with an entertainment inverter and seamless transfer system, enabling the boat's entertainment to run directly from the DC batteries. Tropical spec air conditioning delivers 110,000 BTU and is supported by a second shore power inlet. At the stern, a TV shore cable inlet connection socket is neatly fitted. Safety is overseen by a six zone fire and bilge flood monitoring alarm system. Electrical independence is assured by an Onan 29 kW generator.
