## DETAILED DESCRIPTION

---

### 2019 Sunseeker Manhattan 66

---

Step aboard the 2019 Sunseeker Manhattan 66, named Exit, a flybridge motor yacht that blends the confidence of a performance cruiser with the ease and comfort of a true family cruiser. Twin MAN V8 1200 engines and advanced onboard systems deliver quick response, smooth passage-making, and effortless handling, while sleek lines and fine craftsmanship make every arrival look as good as it feels.

The layout is generous inside and out. An aft galley opens through wide doors to the cockpit, creating a natural flow to the bar and alfresco dining area—ideal for relaxed weekends and longer trips. Above, a full flybridge with hardtop features stainless-steel supports, an electric central opening and a stern electric canopy, setting up shaded lounging or open-sky cruising at a touch. The beach club package turns the transom into a waterside lounge with a marine electric grill in a drop-down workstation, a fold-down platform seat, and an overhead shower fitted to the gull-wing door. Underwater LED lights set the tone at anchor, and a fresh-water deck wash keeps everything shipshape.

Four private staterooms, each with its own ensuite, provide quiet retreats. The full-beam master aft offers a king-sized bed, a built-in dresser with desk, a comfortable seating area, generous wardrobes, and a dedicated TV. Forward, the VIP features a raised bed, refined detailing, two large closets, and a smartly designed ensuite. Two additional guest cabins include side-by-side berths, personal closets, and televisions, ensuring everyone settles in with ease. A crew cabin adds flexibility for skippered passages.

The interior is finished in Silver Oak and Wenge, with Cadorin hardwood flooring on the master-stair lobby and throughout the main saloon and dining

area. An open-plan saloon invites conversation, while tropical air-conditioning keeps the climate steady. Low-level side-deck lights and LED lighting with dimmers—inside and out—set the mood day or night. The well-equipped galley carries a stainless-steel refrigerator with two freezer drawers, a slimline dishwasher, a wine cooler, and a washer/dryer. In the cockpit, a bar with an enclosed ice maker and a peninsula fitted with two removable bar stools makes entertaining simple; on deck, teak detailing extends across the flybridge and foredeck, where you will find a cool box, a wet bar and grill, teak dining and cockpit tables on the bridge, and a teak table on the bow.

Docking and passage-making are straightforward thanks to Sleipner stabilization, bow and stern thrusters with proportional joystick controls, a Xenta docking station, an Onan generator for quiet independence, a Glendinning Cablemaster for shore power management, and thoughtfully placed systems that make ownership easy.

The helm suites are all-Simrad: at the lower console, twin twelve-inch NSS12 Evo3 multifunction color chartplotter/radar displays, mirrored by twin twelve-inch NSS12 Evo3 units on the flybridge; complemented by a Simrad AP autopilot, Simrad IS42 speed and depth displays, a fishfinder, Simrad VHF, and a Simrad transponder with SPA and AIS antenna. A twin-beam remote controlled searchlight extends confidence after dusk.

Entertainment is equally considered. In the main saloon, a Samsung fifty-five-inch TV on a rise-and-fall mechanism pairs with a Blu-ray player, a Sonos sound bar, subwoofer, and Connect amp, plus Apple TV. The master cabin adds a Samsung fifty-five-inch TV with Blu-ray, Sonos sound bar, and Apple TV. The forward cabin carries a Samsung thirty-two-inch TV with Blu-ray, Sonos Connect, an auxiliary amplifier, Flexson ceiling speakers, and Apple TV; the starboard and port cabins each include a Samsung twenty-two-inch TV with Blu-ray, Sonos Connect, an auxiliary amplifier, Flexson ceiling speakers, and Apple TV.

If you are looking for a flybridge motor yacht that serves as a luxury cruiser with the poise of a performance cruiser and the practicality of a family cruiser, Exit is ready to make every mile rewarding.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
